PROCLAMATION

Islamic History Month

WHEREAS: October is recognized as Islamic History Month a time to acknowledge, reflect, and educate our community about the rich cultures of our Muslim community. This month aims to inform and share the valuable lessons and heritage of Muslims with fellow Canadians.

Brampton is home to over 80,000 Muslims from diverse backgrounds and is served by 25 masjids and musallahs.

The City of Brampton is pleased to have our first Muslim Employee Resource Group started and look forward to the continued building of many inclusivity initiatives.

We acknowledge and are grateful to our many imams, leaders, youth, and many community members including staff who strive with us to make our Brampton 2040 vision a reality.

By raising awareness, celebrating our diversity, and highlighting Muslim contributions, we aim to foster inclusion and reflect our shared Canadian values. Our hope is to build a city free from hate and promote greater tolerance and understanding among all residents.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim October 2024 as “Islamic History Month” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
