PROCLAMATION

Seniors' Month

WHEREAS: June is Seniors' Month, it is a designated time to recognize and celebrate the contributions and achievements of older adults in Brampton. It's a month dedicated to honouring seniors and highlighting their valuable role in our community.

The City of Brampton is committed to ensuring residents have the services and support they need to stay healthy, age safely, and enjoy a high quality of life. The City of Brampton is continually developing new opportunities to meet the needs of this dynamic generation of older adults.

During this month, older adults are invited to participate in events, activities, and initiatives to acknowledge seniors' positive impact on society and to promote well-being and inclusion.

The result of these activities will create a safe and inviting environment where generations thrive together to create an age-friendly and inclusive community.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim June 2024 as “Seniors' Month” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
