PROCLAMATION

Shrimad Rajchandra Day

WHEREAS: Shrimad Rajchandraji was a spiritual leader who focused on self-awareness and meditation. His philosophy emphasized non-violence, detachment, and respect for all beliefs. His teachings greatly influenced Mahatma Gandhi, who considered Shrimad Rajchandra his spiritual guide and credited him with introducing the concept of non-violence.

Shrimad Rajchandra's followers also emulate his legacy by focusing on realizing their true selves and serving others selflessly using the practices of meditation and service to society.

Followers of Shrimad Rajchandra have contributed to the local community through diverse, holistic and faceted local community support programs and outreach activities, which are powered by genuine empathy, love and care by highly motivated volunteers. Notable programs include donations to food banks, food drives, tree planting and collaborations with local organizations such as the Yellow Brick House to donate essential kits to women and children fleeing abuse.

These initiatives have been organized in the spirit of ‘seva’ or selfless service, a value that Shrimad Rajchandra consistently encouraged.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim Shrimad Rajchandra Day as “November 9, 2023” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
