PROCLAMATION

World Peace Day

WHEREAS: Each year, World Peace Day also known as the International Day of Peace is celebrated on September 21. The United Nations has declared this day, as a day dedicated to strengthening the ideals of peace within ourselves and among all nations and people, while acknowledging the right of every human being to experience peace.

The Brampton Meditation Centre has been serving Brampton for over 21 years. Over 8,000 students have benefited from free meditation courses, workshops, and programs.

The centre's services are designed to empower our understanding of ourselves, while providing powerful tools for self-transformation. Through this, students experience a collective awakening of consciousness and the awareness of personal peace and empowerment based on the values of respect, humility, and compassion. When we change, our world changes.

World Peace Day will be celebrated in Brampton with a flag raising at Ken Whillans Square followed by inspirational music, messages from local peace builders, and a community meditation led by the Brampton Meditation Centre.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim September 21, 2023 as "World Peace Day" in the City of Brampton.

Mayor Patrick Brown, City of Brampton
