PROCLAMATION

Community Safety Month

WHEREAS: Each November is recognized as Community Safety Month in the province of Ontario.

In the City of Brampton's Community Safety Action Plan (2022-2027), a dedicated Community Safety and Well-Being recognition awareness campaign was established. Led by the Community Safety & Well-Being Office (CSWO), under the City's Community Safety and Well-Being Planning Framework, Community Safety Month will be observed in November.

The aim of Community Safety Month is to promote, inform, and raise awareness about CSWO initiatives that support community safety, well-being, connectedness, and belonging. Throughout Community Safety Month, the CSWO will set up education booths at various locations across the city to interact with the public and provide tools, tips and resources that support community safety and well-being. The CSWO will create opportunities for the public to complete the a new survey to obtain feedback on safety concerns and ideas that can contribute to a stronger, safer Brampton.

During Community Safety Month, the CSWO will also highlight the work of community leaders who help build capacity, increase a sense of belonging and connectedness through the City's Affiliated Neighbourhood Associations Program and collaborative interfaith work.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim November 2025 as "Community Safety Month" in the City of Brampton.

Mayor Patrick Brown, City of Brampton
