PROCLAMATION

National Youth Week

WHEREAS: May 1 to 7, 2025, marks National Youth Week in Canada. This week is an opportunity to honour the dedication, participation and leadership young people bring to their community.

Brampton is one of Canada's youngest and most diverse communities, and the City is proud to celebrate National Youth Week in Canada. This week highlights the incredible potential of young people and their active role in shaping their communities. It emphasizes the importance of youth engagement, access, equity, and social justice, all of which contribute to both personal and community growth.

To celebrate Brampton youth, City departments, alongside community partners, will host a week of free events and activities, including sports tournaments, educational workshops and creative sessions. We encourage all young people to participate in these opportunities for personal and collective growth.

Residents are encouraged to acknowledge and support the positive impact youth have on our local community and help to promote the youth events and activities.

National Youth Week serves as a reminder of the immense value youth-focused initiatives bring to individual development and the broader societal fabric. Brampton strives to be a city where every young person is empowered to lead, thrive and shape their future with confidence, resilience, and a sense of belonging, with the support of various youth-serving organizations.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim May 1-7, 2025 as "National Youth Week" in the City of Brampton.

Mayor Patrick Brown, City of Brampton
