

Refreshment Vehicle Class C Compliance Checklist

City of Brampton
Mobile Licensing By-law *Update* (2025)

All Class C refreshment vehicles (food trucks) **must meet** updated zoning, licensing and operational requirements. Use this checklist to ensure your operation is compliant.

Location Requirements

- ☐ Operating in a Commercial or Industrial Zone
- ☐ Not obstructing:
 - Landscaping areas
 - Required parking spaces, loading bays or drive aisles
 - Traffic sightlines (visibility triangles)

Health & Safety Requirements

- ☐ Garbage bin provided on-site and emptied daily
- ☐ Washroom facilities available and accessible on-site to staff and patrons
- ☐ Site is kept clean and free of litter, waste and debris

Distance Requirements

- ☐ For one to three refreshment vehicles on a property: each must be at least 5 metres apart
- ☐ For more than three refreshment vehicles on a property: each additional vehicle must be at least 10 metres apart

- ☐ At least 50 metres away from:
 - Brick-and-mortar restaurants / fixed food premise

Property Permission

- ☐ Written permission from the property owner, confirming:
 - Zoning compliance and access to washroom facilities for staff and patrons
 - Site map of refreshment vehicle
- ☐ Permission letter includes:
 - Address of the operating site
 - Names and contact information of property owner and operator

Licensing & Compliance

- ☐ Valid Class C Refreshment Vehicle licence
- ☐ Permission letter includes:
 - Business Licensing By-Law
 - Zoning By-Law
 - Updating Mobile Licensing By-Law (2025)
