* Includes all units < = 750 sq. ft.
** For City of Brampton only, this rate also applies towards "Planned Seniors Retirement Communities"

"Planned Seniors Retirement Community" means a housing project consisting of ground-related dwelling units in single family, semi-detached, or multiple dwellings and other amenities, all of which are designed, marketed, developed, and constructed to provide living accommodation for and to meet the needs of senior citizens or older or retired persons on land designated by a resolution of the City Council as a planned seniors retirement community.
