

Approved Document Names and File Conventions (OZS Applications)

Below is a list of approved document names and file saving conventions (document packages vs. individual plans, etc.). All submitted digital documents should be named according to the list of approved names below. **If the digital submission does not adhere to these conventions, the submission will be rejected.** If you are submitting a plan that is not captured in the approved list of document names, please contact the assigned development planner for further instruction.

Furthermore, all document names shall be prefixed based on what stage the application is at, with accepted prefixes being:

Application Stage	Accepted Prefix/Naming Convention
Original Submission	R0_Document Name
Revision 1	R1_Document Name
Revision 2	R2_Document Name
Revision 3	R3_Document Name
Revision 4	R4_Document Name
M-Plan Original Submission	M_R0_Document Name
M-Plan Revision 1	M_R1_Document Name
M-Plan Revision 2	M_R2_Document Name

Approved Document Names/Saving Conventions are as follows:

Document Name	Document Category	Notes/Details
Aboveground Servicing Drawing	Site Servicing and Grading Plan	All drawings as 1 PDF
Acoustical Report	Acoustical Report (aka Noise Study)	Report and any drawings as 1 PDF
Arborist Report	Arborist Report	Report and any drawings as 1 PDF
Archaeological Assessment	Archaeological Assessment and/or Study	Report and any drawings as 1 PDF
Architectural Drawings	Architectural Drawings	Architectural elevations, architectural details, Excluding Site Plan as 1 PDF

Document Name	Document Category	Notes/Details
