.8 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres;

.9 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres;

.10 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees;

.11 each dwelling unit shall have direct pedestrian access from the front yard to the rear yard with no more than a two step grade difference inside the unit and without having to pass through a habitable room;

.12 no more than 8 dwelling units shall be attached or the total maximum dwelling width shall be 50 metres, whichever is the greater;

.13 Maximum Lot Coverage: none;

.14 Maximum Garage Door Width:

.a the maximum garage door width per dwelling unit shall be 2.5 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot;

12.1004 Exception 1004

12.1004.1 The lands shall only be used for the following purposes:

.1 Either

.a Commercial:

The use permitted shall be for the sale of non-food products displayed and stored in a warehouse format.

12.1005 Exception 1005

12.1005.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1005.2 The lands shall be subject to the following requirements and restrictions:

.1 no permanent structures and excavations shall be located within 10 metres of the limit of the TransCanada Pipeline right-of-way.

.2 Minimum Lot Area: 328 square metres;

.3 Minimum Lot Width:

- .a Interior Lot: 13.7 metres;
- .b Corner Lot: 15.5 metres;

.4 Minimum Lot Depth: 24 metres;

.5 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.6 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.7 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.8 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side;
- .b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.9 Minimum Landscaped Open Space: 40% of the front yard area and 30% of the front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.10 Minimum Setback to a Garage Door: 5.4 metres;

.11 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.12 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.13 Maximum Building Height:

.a 2 storeys on a street having a road right-of-way width less than 17 metres;

.b 10.6 metres on a street having a road right-of-way width greater than or equal to 17 metres.

12.1006 Exception 1006

12.1006.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1006.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 366 square metres;

.2 Minimum Lot Width:

- .a Interior Lot: 12.2 metres;
- .b Corner Lot: 14.0 metres;

.3 Minimum Lot Depth: 30 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.7 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side;
- .b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space: 40% of the front yard area and

.9 30% of the front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.10 Minimum Setback to a Garage Door: 5.4 metres;

.11 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.12 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;

- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

12.1007 Exception 1007

12.1007.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1007.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 312 square metres;

.2 Minimum Lot Width:

- .a Interior Lot: 10.4 metres;
- .b Corner Lot: 12.2 metres;

.3 Minimum Lot Depth: 30 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.6 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side;
- .b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.7 Minimum Landscaped Open Space: 40% of the front yard area and 30% of the front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.8 Minimum Setback to a Garage Door:

- .a 6.0 metres on the sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .b 5.5 metres on the non-sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .c 5.5 metres on a street having a 20.0 metre wide road right-of-way or greater;

.9 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.10 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 4.0 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

12.1008 Exception 1008

12.1008.1 The lands shall only be used for the following purposes:

.1 those purposes permitted in an R1 zone

and/or:

.2 those purposes permitted in Exception 1009, subject to the requirements and restrictions as set out in Exception 1009

12.1008.2 The lands shall be subject to the following requirements and restrictions:

.1 no permanent structures and excavations shall be located within 10 metres of the limit of the TransCanada Pipeline right-of-way.

.2 Minimum Lot Area: 218 square metres;

.3 Minimum Lot Width:

.a Interior Lot: 9.1 metres;

.b Corner Lot: 10.9 metres;

.4 Minimum Lot Depth: 24 metres;

.5 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.6 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.7 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.8 Minimum Interior Side Yard Width:

.a 1.2 metres on one side and 0.6 metres on the other side;

.b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;

.c 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.11 no more that 8 dwelling units shall be attached or the total maximum dwelling width shall be 50 metres, whichever is greater;

.12 Maximum Lot Coverage: none;

.13 Minimum Setback to a Garage Door:

- .a 6.0 metres on the sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .b 5.5 metres on the non-sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .c 5.5 metres on a street having a 20.0 metre wide road right-of-way or greater;

.14 the following provisions shall apply to garages:

.a the maximum garage door width per dwelling unit shall be 3.1 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

12.1012 Exception 1012

12.1012.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R2 zone.

12.1012.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Interior Side Yard Width: 7.5 metres;

.2 Minimum Landscaped Open Space: 40 percent of the lot area including a

.3 minimum 3 metre strip along McLaughlin Road except at the location of the driveway;

.4 a maximum of 8 dwelling units shall be attached;

.5 a maximum of 24 dwelling units shall be permitted;

.6 no building or structure, including swimming pools decks, patios or tennis courts, shall be located within 5.0 metres of any lands zoned OS or NS; and,

.7 the Minimum Distance between buildings shall be 12 metres.

12.1013 Exception 1013

12.1013.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted by R1 Zone.

12.1013.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area:

.a Semi-Detached Dwelling

.i Interior Lot: 390 square metres per lot and 195 square metres per dwelling unit;

.ii Corner Lot: 498 square metres per lot and 294 square metres for the dwelling unit closest to the flankage lot line;

.2 Minimum Lot Width:

.a Semi-Detached Dwelling

.i Interior Lot: 13.6 metres and 6.8 metres per dwelling unit;

.ii Corner Lot: 16.6 metres and 9.8 metres for the dwelling unit closest to the flankage lot line;

.3 Minimum Front Yard Depth: 4.5 metres;

.4 Minimum Interior Side Yard Width:

.a Semi-Detached Dwelling: 1.2 metres except where the common wall of the semi-detached dwelling units coincides with a side lot line, the side yard may be 0 metres;

.5 where a garage faces a front or side lot line the minimum setback to the front of the garage shall be 6 metres;

.6 a roofed porch may encroach into the front yard setback by a maximum of 1.5 metres;

.7 a chimney, chimney breast, porch, uncovered platform, central air conditioning unit or heat pump is not permitted to encroach within the minimum 1.2 metre interior side yard;

.8 the width of a garage door shall not exceed 50% of the lot width for each dwelling unit; and,

.9 no building shall be located closer than 14.0 metres to Chinguacousy Road.

12.1013.3 for the purposes of Exception 1013:

.1 Lot Width shall mean the least distance measured in a straight line, between the side lot lines, where the side lot lines are parallel, and:

.a where such lot lines are not parallel, the lot width shall be the straight line distance between points on the side lot lines measured on a line 6.0 metres back from the front lot line; or,

.b in the case of a corner lot having a street line rounding at the corner of a radius of 7.5 metres or less, the lot width of such lot shall be calculated as if the lot lines were produced to their point of intersection.

12.1015 Exception 1015

12.1015.1 The lands shall only be used for the following purposes:

.1 the purposes permitted in an I1 zone

12.1015.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Interior Side Yard Width: 1.7 metres;

.2 Minimum Rear Yard Depth: 3.0 metres.

12.1018 Exception 1018

12.1018.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1018.2 The lands shall be subject to the following requirements and restrictions:

.1 no permanent structures and excavations shall be located within 10 metres of the limit of the TransCanada Pipeline right-of-way.

.2 Minimum Lot Area: 227 square metres;

.3 Minimum Lot Width:

- .a Interior Lot: 9.1 metres;
- .b Corner Lot: 10.9 metres;

.4 Minimum Lot Depth: 25 metres;

.5 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.6 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.7 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.8 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres;
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.9 Minimum Landscaped Open Space: 40% of the minimum front yard area and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.10 Minimum Setback to a Garage Door:

- .a 6.0 metres on the sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .b 5.5 metres on the non-sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .c 5.5 metres on a street having a 20.0 metre wide road right-of-way or greater;

.11 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.12 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 3.10 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.13 Maximum Building Height: 2 storeys

12.1018.3 for the purposes of Exception 1018:

.14 for the purpose of this Exception, for lots adjacent to a daylight corner where the daylight corner exceeds 10 metres by 10 metres, the lots abutting the daylight corner shall not be considered a corner lot and the minimum setback to the daylight corner shall be 3 metres.

12.1019 Exception 1019

12.1019.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1019.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 275 square metres;

.2 Minimum Lot Width:

- .a Interior Lot: 11.0 metres;
- .b Corner Lot: 12.8 metres;

.3 Minimum Lot Depth: 25 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres;
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space: 40% of the minimum front yard area and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.9 Minimum Setback to a Garage Door:

- .a 6.0 metres on the sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .b 5.5 metres on the non-sidewalk side of a street having a 17.0 metre wide road right-of-way.
- .c 5.5 metres on a street having a 20.0 metre wide road right-of-way or greater;

.10 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.11 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.12 Maximum Building Height: 2 storeys

12.1019.3 for the purposes of Exception 1019:

.13 For lots adjacent to a daylight corner where the daylight corner exceeds 10 metres by 10 metres, the lots abutting the daylight corner shall not be considered a corner lot and the minimum setback to the daylight corner shall be 3 metres.

12.1020 Exception 1020

12.1020.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1020.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 275 square metres;

.2 Minimum Lot Width:

- .a Interior Lot: 12.5 metres;
- .b Corner Lot: 14.3 metres;

.3 Minimum Lot Depth: 25 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres;
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space: 40% of the minimum front yard area and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.9 Minimum Setback to a Garage Door: 5.4 metres

.10 no garage shall project more than 1.5 metres beyond a porch or front wall of a dwelling; and,

.11 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.12 Maximum Building Height:

.a 2 storeys on a street having a 15.2 metre wide road right-of-way;

.b 10.6 metres on a street having a 17.0 metre wide road right-of-way.

12.1020.3 for the purposes of Exception 1020:

.13 For lots adjacent to a daylight corner where the daylight corner exceeds 10 metres by 10 metres, the lots abutting the daylight corner shall not be considered a corner lot and the minimum setback to the daylight corner shall be 3 metres.

12.1021 Exception 1021

12.1021.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

- .d the interior garage width, as calculated 3 metres from the garage opening shall not be 0.9 metres more than the maximum garage door width permitted on the lot.

.8 Minimum Rear Yard Depth: 7.5 metres which ay be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area;

.9 Minimum Interior Side Yard Width:

- .a 0.6 metres provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; and,
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.10 Minimum Landscaped Open Space:

.a 40% of the minimum front yard area; and,

.b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.11 no permanent building, structure or excavation shall be located closer than 10 metres to a NS zone.

12.1051 Exception 1051

12.1051.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1051.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 259 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 10.8 metres
- .b Corner Lot: 12.6 metres

.3 Minimum Lot Depth: 24 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling

.5 Minimum Exterior Side Yard Width: 3.0 metres except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres

.6 no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling

.7 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 4.12 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the font lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing the flankage lot line;
- .d the interior garage width as calculated 3 metres from the garage opening shall not be 0.6 metres more than the maximum garage door width permitted on the lot.

.8 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

- .a 0.6 metres provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; and,
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.10 Minimum Landscaped Open Space:

.a 40% of the minimum front yard area; and,

.b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.11 no permanent building, structure or excavation shall be located closer than 10 metres to a Natural System (NS) zone.

12.1052 Exception 1052

12.1052.1 The lands shall only be used for the following purposes:

.1 a community club; and,

.2 purposes accessory to the other permitted purposes.

12.1052.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Front Yard Landscaping: 3.0 metres wide where the site abuts a road, except at approved access locations.

.2 Maximum Permitted Ground Floor Area: 355 square metres

.3 Maximum Building Height: 1 storey

12.1053 Exception 1053

12.1053.1 The lands shall only be used for the following purposes:

.1 flood and erosion control;

.2 conservation area or purpose; and,

.3 purposes accessory to the other permitted purposes.

12.1053.2 The lands shall be subject to the following requirements and restrictions:

.1 shall be subject to the requirements and restrictions of the NS zone.

12.1054 Exception 1054

12.1054.1 The lands shall only be used for the following purposes:

.1 nursing home;

.2 a day care; and,

.3 purposes accessory to the permitted purposes.

12.1054.2 The lands shall be subject to the following requirements and restrictions:

.1 Maximum Lot Coverage: 50 percent;

.2 Maximum Building Height: 4 storeys;

.3 Minimum Front, Rear and Side Yard Depth: 6 metres or ½ building height, whichever is greater;

.4 a maximum of 162 beds;

.5 Parking: a minimum of 0.33 parking spaces per bed shall be provided;

.6 a minimum 3.0 metre wide landscaped open space area shall be provided, except at approved driveway locations;.

12.1055 Exception 1055

12.1055.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1055.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Depth: 33.0 metres

.2 Minimum Rear Yard Depth: 10.5 metres

12.1056 Exception 1056

12.1056.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1056.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 332 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 12.8 metres
- .b Corner Lot: 14.6 metres

.3 Minimum Lot Depth: 26 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area.

.7 Minimum Interior Side Yard Width: 0.6 metres provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing the flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.10 Maximum Building Height: 10.6 metres provided that no dwelling units shall contain any habitable area higher than 6.75 metres above grade.

.11 Maximum Lot Separation: a minimum separation distance of 300 metres shall be maintained between the boundary of the nearest residentially zoned property and the existing setback for the Daimler Chrysler Canada lands being 25 metres south of the North Park Drive right-of-way; a minimum separation distance of 170 metres shall be maintained between the boundary of the nearest residentially zoned property and the western property boundary of Universal Am-Can Ltd. as it existed on April 6, 2001; and a minimum separation distance of 70 metres shall be maintained between the boundary of the nearest residentially zoned property and the northern property boundary of Universal Am-Can Ltd. as it existed on April 6, 2001.

12.1057 Exception 1057

12.1057.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1057.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 332 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 12.8 metres
- .b Corner Lot: 14.6 metres

.3 Minimum Lot Depth: 26 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area.

.7 Minimum Interior Side Yard Width: 0.6 metres provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

.10 Maximum Building Height: 10.6 metres provided that no dwelling units shall contain any habitable area higher than 6.75 metres above grade.

.11 in order to shield houses to the north and west from the noises that might be created by nearby industries, no part of any windows, doors or openings shall be located above a height of 3.75 metres in height above grade on the south, east and west facades. No habitable area greater than 6.75 metres in height above grade shall be permitted.

.12 Minimum Lot Separation: a minimum separation distance of 300 metres shall be maintained between the boundary of the nearest residentially zoned property and the existing setback for the Daimler Chrysler Canada lands being 25 metres south of the North Park Drive right-of-way; a minimum separation distance of 170 metres shall be maintained between the boundary of the nearest residentially zoned property and the western property boundary of Universal Am-Can Ltd. as it existed on April 6, 2001; and a minimum separation distance of 70 metres shall be maintained between the boundary of the nearest residentially zoned property and the northern property boundary of Universal Am-Can Ltd. as it existed on April 6, 2001.

12.1057.3 for the purposes of Exception 1057:

.1 Openings shall mean windows, skylights, doors, exhaust openings, vents, air intakes and like building elements;

.2 South Façade shall mean the exterior wall or face of a building or structure that is at an angle of 45 degrees or less to the southerly site limit;

.3 Southerly Site Limit shall mean the lands parallel to North Park Drive, such outline abutting the Har Tikvah Synagogue lands, McKinlay Transport lands and the industrial lands adjacent to North Park Drive.

.4 East Façade shall mean the exterior wall or face of a building or structure which is at an angle of 45 degrees or less to the easterly site limit and where the exterior wall or face of a building or structure is oriented such that it is defined as being both easterly and northerly facing, then the definition which shall apply be the easterly;

.5 Easterly Site Limit shall mean the outline of the lands parallel to Torbram Road, abutting the McKinlay Transport lands and the Bramport Shopping Centre lands;

.6 West Façade shall mean the exterior wall or face of a building or structure which is at an angle of 45 degrees or less to the westerly site limit and, where the exterior wall or face of a building or structure is oriented such that it is defined as being both westerly and northerly facing, then the definition which shall apply shall be the westerly;

.7 Westerly Site Limit shall mean the lands abutting Torbram Road.

12.1058 Exception 1058

12.1058.1 The lands shall only be used for the following purposes:

.1 shall only be used for purposes permitted in a R1 zone.

12.1058.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 312 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 10.4 metres
- .b Corner Lot: 12.2 metres

.3 Minimum Lot Depth: 30 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area.

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres;
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages

- .a the maximum garage door width shall be 4.12 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

12.1060 Exception 1060

12.1060.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling; and

.2 purposes accessory to the other permitted purposes

12.1060.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 207 square metres per dwelling unit

.2 Minimum Lot Width:

- .a Interior Lot: 13.8 metres per lot and 6.9 metres per dwelling unit
- .b Corner Lot: 15.6 metres per lot and 8.7 metres for the dwelling unit closest to the flankage lot line

.3 Minimum Lot Depth: 30 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres for a dwelling unit provided that the area of the rear yard is at least 25% of the minimum lot area for the particular unit.

.7 Minimum Interior Side Yard Width: 1.2 metres, except that where the common wall of the dwelling units coincide with a side lot line the setback may be zero.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be 2.5 metres
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit

.4 Minimum Rear Yard Depth: 9.0 metres;

.5 Minimum Setback from the Southerly Property Line: 4.0 metres

.6 Minimum Setback from the Northerly Property Line: 30 metres;

.7 Landscaped Open Space:

- .a a 3.0 metre wide landscaped open space area shall be provided along the front lot line, except at approved access locations; and,
- .b a 3.0 metre wide landscaped open space area shall be provided along the rear lot line.

.8 Maximum Building Height: 2 storeys;

.9 refuse storage for restaurant uses shall be contained in climate-controlled areas within a building;

.10 Minimum Lot Area: 0.3 hectares; and,

.11 any building on a lot zoned LC - Exception 1064 shall have a pitched roof design and all roof top mechanical equipment shall be screened from view.

12.1065 Exception 1065

12.1065.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1065.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 261 square metres;

.2 Minimum Lot Width: 9.0 metres

.3 Minimum Lot Depth: 29 metres;

.4 Minimum Front Yard Depth: 6.0 metres to the front garage and 4.5 metres to the front wall of a dwelling;

.5 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.6 Minimum Interior Side Yard Width: 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres;

.7 Maximum Building Height: 2 storeys;

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees;

.9 the following provisions shall apply to garages;

- .a the maximum garage door width shall be 3.10 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the interior garage width, as calculated 3.0 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

12.1066 Exception 1066

12.1066.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1066.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 210 square metres;

.2 Minimum Lot Width: 14.0 metres per lot and 7.0 metres per dwelling unit;

.3 Minimum Lot Depth: 30 metres;

.1 Shall only be used for the purposes permitted in a R1 zone.

12.1148.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 264.0 square metres;

.2 Minimum Lot Width:

- .a Interior Lot: 11.0 metres;
- .b Corner Lot: 12.8 metres;

.3 Minimum Lot Depth: 24.0 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area;

.6 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; and,
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees;

.9 Minimum Setback to a Garage Door:

- .a for a lot having a lot width less than or equal to 11.0 metres: 5.5 metres
- .b for a lot having a lot width greater than 11.0 metres: 5.4 metres;

.10 no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling;

.11 the following provisions shall apply to garages:

- .a the maximum garage door width shall be:

.i for a lot having a lot width of less than 12.0 metres but greater than or equal to 11.0 metres:

1. 4.0 metres if the garage door faces a front lot line that abuts a street having a road right-of-way width of less than 17.0 metres;
2. 5.5 metres if the garage door faces a front lot line that abuts a street having a road right-of-way width greater than or equal to 17.0 metres;

.ii for a lot having a lot width greater than or equal to 12.0 metres: 5.5 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres from the garage opening shall not be 0.9 metres more than the maximum garage door width permitted on the lot;

12.1149 Exception 1149

12.1149.1 The lands shall only be used for the following purposes:

.1 Shall only be used for the purposes permitted in a R1 zone.

12.1149.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 366.0 square metres;

.2 Minimum Lot Width:

.a Interior Lot: 12.2 metres;

.b Corner Lot: 14.0 metres;

.3 Minimum Lot Depth: 30.0 metres;

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling;

.5 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area;

.6 Minimum Exterior Side Yard Width: 3.0 metres to the side wall of a dwelling;

.7 Minimum Interior Side Yard Width:

.a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; and,

.b 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space:

.a 40% of the minimum front yard area; and,

.b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees;

.9 Minimum Setback to a Garage Door: 5.4 metres;

.10 no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling;

.11 the following provisions shall apply to garages:

.a the maximum garage door width shall be 5.5 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres from the garage opening shall not be 0.9 metres more than the maximum garage door width permitted on the lot;

12.1150 Exception 1150

12.1150.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling;

.2 an auxiliary group home; and,

12.1150.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 205.0 square metres per dwelling unit;

.2 Minimum Lot Width:

- .a Interior Lot: 13.7 metres per lot, and 6.85 metres per dwelling unit;
- .b Corner Lot: 15.5 metres per lot, and 8.65 metres for the dwelling unit closest to the flankage lot line;

.3 Minimum Lot Depth: 30.0 metres;

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area for the particular unit;

.6 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres;

.7 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres;

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees;

.9 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be:
  - .i 2.5 metres if the lot width for a particular dwelling unit is less than 7.0 metres;
  - .ii 3.1 metres if the lot width for a particular dwelling unit is less than 8.0 metres but greater than or equal to 7.0 metres; and,

.iii 3.7 metres if the lot width for a particular dwelling unit is 8.0 metres or greater;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres from the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot;

12.1151 Exception 1151

12.1151.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1151.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width: Corner Lot: 11 metres.

.2 Minimum Lot Depth: 28 metres; and

.3 Minimum Lot Area: Corner Lot: 325 square metres.

.4 for lots that abut an Open Space zone a private uncovered swimming pool shall be permitted in the rear yard provided that it is no closer than 7.5 metres to any rear lot line and no closer than 1.2 metres to any side lot line.

.1 a ten (10) vehicle stacking land shall be provided to serve the take-out restaurant;

.2 nine (9) parking spaces shall be provided to serve the convenience store/take-out restaurant and one (1) parking space for the gas bar;

12.1153 Exception 1153

12.1153.1 The lands shall only be used for the following purposes:

.1 Shall only be used for the purposes permitted in a R1 zone.

12.1153.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area:

.a Interior Lot: 420 square metres per lot and 210 square metres per dwelling unit.

.b Corner Lot: 474 square metres per lot and 264 square metres for the dwelling unit closest to the flankage lot line.

.2 Minimum Lot Width:

.a Interior Lot: 14 metres and 7 metres per dwelling unit.

.b Corner Lot: 15.8 metres, and 8.8 metres for the dwelling closest to the flankage lot line.

.3 Minimum Lot Depth: 30 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling.

.5 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to a minimum of 6.0 metres for a dwelling unit provided that the area of the rear yard is at least 25% of the minimum required lot area for the particular unit.

.6 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.7 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres.

.8 Minimum Landscaped Open Space:

.a 40% of the minimum front yard area; and,

.b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

.a the maximum garage door width per dwelling unit shall be:

.i 3.1 metres on a lot having a lot width per dwelling unit greater than or equal to 7.0 metres, but less than 8.0 metres;

.ii 3.7 metres on a lot having a lot width per dwelling unit greater than or equal to 8.0 meters.

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit.

.c the garage door width restriction does not apply to the garage door facing a flankage lot line.

.d the interior garage width, as calculated 3.0 metres from the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot.

12.1154 Exception 1154

12.1154.1 The lands shall only be used for the following purposes:

.1 Shall only be used for the purposes permitted in a R1 zone.

12.1154.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area:

.a Interior Lot: 476 square metres per lot and 238 square metres per dwelling unit.

.2 Minimum Lot Width:

.a Interior Lot: 14 metres and 7 metres per dwelling unit.

.3 Minimum Lot Depth: 34 meters

.4 Minimum Front Yard Depth: 6.0 meters to the front of the garage and 4.5 meters to the front wall of the dwelling.

.5 Minimum Rear Yard Depth: 10.5 metres

.6 Minimum Exterior Side Yard Width: 3.0 meters, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 meters.

.7 Minimum Interior Side Yard Width:

.a 1.2 meters, except along the common wall lot line where the setback may be 0.0 metres.

.8 where a garage faces a front or side lot line, the minimum setback to the front of the garage shall be 6.0 metres

.9 Minimum Landscaped Open Space:

.a 40% of the minimum front yard area; and,

.b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.10 the following provisions shall apply to garages:

.a the maximum garage door width per dwelling unit shall be:

.i 3.1 metres on a lot having a lot width per dwelling unit greater than or equal to 7.0 metres, but less than 8.0 metres;

.ii 3.7 metres on a lot having a lot width per dwelling unit greater than or equal to 8.0 metres.

.b the garage door width may be widened by an extra 0.6 meters if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit.

.c the garage door width restriction does not apply to the garage door facing a flankage lot line.

.d the interior garage width, as calculated 3.0 metres from the garage opening shall not be 0.6 metres more than the maximum garage door width permitted on the lot.

12.1155 Exception 1155

12. 1155.1 The lands shall only be used for the following purposes:

.1 Industrial:

.1 shall only be used for those purposes permitted in a R1 zone;

12.1245.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 320 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 11.0 metres
- .b Corner Lot: 12.8 metres

.3 Minimum Lot Depth: 28 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; and,
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.6 Minimum Exterior Side Yard Width: 3.0 metres, a garage shall not be permitted to face the exterior side yard lot line;

.7 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.8 Minimum Setback from NS zone: no dwelling shall be located within 10.0 metres of an NS zone.

.9 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.10 the following provisions shall apply to garages:

- .a the maximum garage door width shall be:
  - .i 3.1 metres if the lot width for a particular unit is less than 10 meters;
  - .ii 4.0 metres if the lot width of a particular unit is less than 10.36 metres but greater than or equal to 10 metres;

.iii 4.12 metres if the lot width for a particular unit is less than 11 metres but greater than or equal to 10.36 metres;

.iv 5.5 metres if the lot width for a particular unit is less than 16 metres but greater than or equal to 11 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres form the garage opening, shall not be 0.9 metres more than the maximum garage door width permitted on the lot;

.11 Maximum Garage Projection: the maximum garage projection beyond the front wall of a dwelling shall be 1.5 metres;

12.1245.3 for the purposes of Exception 1245:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1245.2.

12.1246 Exception 1246

12.1246.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R2 zone.

12.1246.2 The lands shall be subject to the following requirements and restrictions:

.1 each dwelling unit shall have direct pedestrian access from the front yard to the rear yard without having to pass through any habitable room;

.2 the Maximum Number of Dwelling Units which may be attached shall not exceed 8;

.3 the Minimum Lot Area per dwelling unit shall be:

- .a Interior Lot: 185 square metres; and,
- .b Corner Lot: 275 square metres.

.4 the Minimum Lot Width per dwelling unit shall be:

- .a Interior Lot: 6 metres; and,
- .b Corner Lot: 9 metres.

12.1247 Exception 1247

12.1247.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling;

.2 an auxiliary group home; and,

.3 purposes accessory to the other permitted purposes;

12.1247.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 375 square metres per lot and 185 square metres per dwelling unit

.2 Minimum Lot Width:

- .a Interior Lot: 14.0 metres per lot, and 7.0 metres per dwelling unit;
- .b Corner Lot: 15.8 meters per lot, and 8.88 metres for the dwelling unit closest to the flankage lot line

.3 Minimum Lot Depth: 27 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Interior Side Yard Width:

- .a 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres.

.6 Minimum Exterior Side Yard Width: 3.0 metres, a garage shall not be permitted to face the exterior side yard lot line;

.7 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be:
  - .i 2.5 metres on a lot having a lot width per dwelling unit of less than 7.0 metres;
  - .ii 3.1 metres on a lot having a lot width per dwelling unit greater than or equal to 7.0 metres, but less than 8.0 metres;

.iii 3.7 metres on a lot having a lot width per dwelling unit greater than or equal to 8.0 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres form the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot;

.10 Maximum Garage Projection: the maximum garage projection beyond the front wall of a dwelling shall be 1.5 metres;

12.1247.3 for the purposes of Exception 1247:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1247.2.

12.1248 Exception 1248

12.1248.1 The lands shall only be used for the following purposes:

.1 a single detached dwelling;

.2 purposes accessory to the other permitted uses; and

.3 a home occupation.

12.1248.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Yard Depth from lot line abutting Main Street South: 15 metres

.2 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.3 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.4 Maximum Gross Residential Floor Area: 550 square metres, subject to the following:

- .a Maximum Gross Residential Floor Area shall be dictated by a sliding scale floor space index which operates as follows:
  - .i for lots of 450 square metres or less, a floor space index of 1.52 times the lot area applies;
  - .ii for lots of 450 square metres to 750 square metres, floor space index of 0.52 is reduced by 0.02 for each additional 50 square metres of lot area in excess of 450 square metres to a floor space index of 0.40 times the lot area for a lot of 750 square metres;
  - .iii for lots of 750 square metres to 1000 square metres, floor space index of 0.40 is reduced by 0.01 for each additional 50 square metres of lot area in excess of 750 square metres to a floor space index of 0.35 times the lot area for a lot of 1000 square metres; and
  - .iv for lots in excess on 1000 square metres, a floor space index of 0.35 times the lot area applies to a maximum gross residential floor area of 550 square metres.

12.1249 Exception 1249

12.1249.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling;

.2 an auxiliary group home; and,

.3 purposes accessory to the other permitted purposes

12.1249.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 460 square metres per lot, and 230 square metres per dwelling unit;

.2 Minimum Lot Width:

- .a Interior Lot: 18.0 metres per lot and 9.0 metres per dwelling unit;
- .b Corner Lot: 19.8 metres and 10.8 metres for the dwelling unit closest to the flankage lot line;

.3 Minimum Lot Depth: 26 metres;

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres;

.6 a garage shall not be permitted facing the exterior side yard lot line;

.7 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area for particular unit;

.8 Minimum Interior Side Yard Width: 1.2 metres, except that where the common wall of the dwelling units coincide with a side lot line the setback may be zero;

.9 Minimum Landscaped Open Space: 40% of the minimum front yard area and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line;

.10 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 3.1 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the garage door width;

12.1249.3 for the purposes of Exception 1249:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1249.2.

12.1250 Exception 1250

12.1250.1 The lands shall only be used for the following purposes:

.1 shall only be used for those purposes permitted in a R2 zone;

12.1250.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 180 square metres per dwelling unit;

.2 Minimum Lot Width:

- .a Interior Lot: 22.5 metres per lot and, 7.5 per dwelling unit;
- .b Corner Lot: 24.3 metres and 9.3 metres for the dwelling unit closest to the flankage lot line;

.3 Minimum Lot Depth: 26 metres;

.4 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 3.1 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the garage door width;

.5 each dwelling unit shall have direct pedestrian access from the front yard to the rear yard without having to pass through a habitable room;

12.1250.3 for the purposes of Exception 1250:

.1 shall also be subject to the requirements and restrictions relating to the R2 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1250.2.

12.1251 Exception 1251

12.1251.1 The lands shall only be used for the following purposes:

.1 shall only be used for those purposes permitted in a R1 zone;

12.1251.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 350 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 13.5 metres
- .b Corner Lot: 15.3 metres

.3 Minimum Lot Depth: 26.0 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of garage shall be 6.0 metres;

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum lot area;

.7 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side;
- .b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 meters where the side yard abuts a public walkway or a non-residential zone

.8 Minimum Landscaped Open Space: 40% of the minimum front yard area and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line result in an angle of less than 75 degrees at the front lot line

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 meters closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the garage door width;

12.1251.3 for the purposes of Exception 1251:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1251.2.

12.1252 Exception 1252

12.1252.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling;

.2 an auxiliary group home; and,

.3 purposes accessory to the other permitted purposes

12.1252.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 375 square metres per lot and 185 square metres per dwelling unit

.2 Minimum Lot Width:

- .a Interior Lot: 17.0 metres per lot, and 8.5 metres per dwelling unit;
- .b Corner Lot: 19.0 meters per lot, and 9.5 metres for the dwelling unit closest to the flankage lot line

.3 Minimum Lot Depth: 27 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Interior Side Yard Width:

- .a 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres.

.6 Minimum Exterior Side Yard Width: 3.0 metres, a garage shall not be permitted to face the exterior side yard lot line;

.7 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be:
  - .i 2.5 metres on a lot having a lot width per dwelling unit of less than 7.0 metres;
  - .ii 3.1 metres on a lot having a lot width per dwelling unit greater than or equal to 7.0 metres, but less than 8.0 metres;

.iii 3.7 metres on a lot having a lot width per dwelling unit greater than or equal to 8.0 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres form the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot;

.10 Maximum Garage Projection: the maximum garage projection beyond the front wall of a dwelling shall be 1.5 metres;

12.1252.3 for the purposes of Exception 1252:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1252.2.

12.1253 Exception 1253

12.1253.1 The lands shall only be used for the following purposes:

.1 shall only be used for those purposes permitted in a R1 zone;

12.1253.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 321 square metres, except for Interior Lots within 25 metres from Countryside Drive right-of-way, in which case the minimum Lot area shall be 290 square metres;

.2 Minimum Lot Width:

.a Interior Lot: 10.7 metres, except where a lot abuts a NS zone, in which case the minimum lot width shall be 13.7 metres;

.b Corner Lot: 14.0 metres;

.3 Minimum Lot Depth: 26 metres;

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres;

.6 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area;

.7 Minimum Interior Side Yard Width: 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres; 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Setback of a dwelling to a Natural System (NS) Zone boundary, shall be 10 metres;

.9 Minimum Landscaped Open Space: 40% of the minimum front yard area, and 30% of the minimum front yard area if the extension of the side lot lines towards the front lot line results in an angle of less than 75 degrees at the front lot line;

.10 the following provisions shall apply to garages:

.a the maximum garage door width shall be 5.5 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.9 metres over the maximum garage door width permitted on the lot;

12.1253.3 for the purposes of Exception 1253:

.1 shall be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1253.2.

12.1254 Exception 1254

12.1254.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1254.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width:

.a Interior Lot: 23 metres

.b Corner Lot: 26 metres

.2 Minimum Yard Depth from lot line abutting Main Street South: 15 metres.

.3 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.4 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.5 Maximum Gross Residential Floor Area: provisions of Exception 1256.2(5) apply.

12.1255 Exception 1255

12.1255.1 The lands shall only be used for the following purposes:

.1 shall only be used for those purposes permitted in a R1 zone;

12.1255.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 328 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 13.7 metres
- .b Corner Lot: 15.5 metres

.3 Minimum Lot Depth: 24 metres

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling;

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres;

.6 Minimum Rear Yard Depth: 7.5 metres, which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.7 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side;
- .b where the distance between the side lot line and the wall of a dwelling is less than 1.2 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 metres where the side yard abuts a public walkway or non-residential zone;

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.9 no garage door may project more than 1.5 metres beyond the porch or front wall of a dwelling unit provided that the minimum setback to a garage door is maintained.

.10 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres form the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot;

.11 porches and balconies, with or without cold cellars or foundation may project a maximum of 1.8 metres into the front yard, interior side yard, exterior side yard or rear yard;

.12 bay windows, chimney elements, projecting cornices and roof eaves, with or without foundations, may project a maximum of 1.0 metres into the front yard, interior side yard, exterior side yard or rear yard;

.13 minimum setback from a Natural System (NS) zone: 10 metres

12.1255.3 for the purposes of Exception 1255:

.1 shall also be subject to the requirements and restrictions relating to the R1 zone and all the general provisions of this by-law which are not in conflict with those set out in Exception 1255.2.

12.1256 Exception 1256

12.1256.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a R1 zone.

12.1256.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width:

.a Interior Lot: 23 metres

.b Corner Lot: 26 metres

.2 Minimum Yard Depth from lot line abutting Main Street South: 10 metres.

.3 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.4 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.5 Maximum Gross Residential Floor Area: 750 square metres, subject to the following:

.a Maximum Gross Residential Floor Area shall be dictated by a sliding scale floor space index which operates as follows:

.i for lots of 450 square metres or less, a floor space index of 0.52 times the lot area applies;

.ii for lots of 450 square metres to 750 square metres, floor space index of 0.52 is reduced by 0.02 for each additional 50 square metres of lot area in excess of 450 square metres to a floor space index of 0.40 times the lot area for a lot of 750 square metres;

.iii for lots of 750 square metres to 1000 square metres, floor space index of 0.40 is reduced by 0.01 for each additional 50 square metres of lot area in excess of 750 square metres to a floor space index of 0.35 times the lot area for a lot of 1000 square metres; and

.iv for lots in excess of 1000 square metres, a floor space index of 0.35 times the lot area applies to a maximum gross residential floor area of 750 square metres.

12.1257 Exception 1257

12.1257.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1257.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Yard Depth from lot line abutting Main Street South: 10 metres

.2 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.3 Minimum Exterior Side Width: the greater of 3 metres or the required interior side yard width.

.4 Maximum Gross Residential Floor Area: 550 square metres, subject to the following:

- .a Maximum Gross Residential Floor Area shall be dictated by a sliding scale floor space index which operates as follows:
  - .i for lots of 450 square metres or less, a floor space index of 0.52 times the lot area applies;
  - .ii for lots of 450 square metres to 750 square metres, floor space index of 0.52 is reduced by 0.02 for each additional 50 square metres of lot area in excess of 450 square metres to a floor space index of 0.40 times the lot area for a lot of 750 square metres;
  - .iii for lots of 750 square metres to 1000 square metres, floor space index of 0.40 is reduced by 0.01 for each additional 50 square metres of lot area in excess of 750 square metres to a floor space index of 0.35 times the lot area for a lot of 1000 square metres; and
  - .iv for lots in excess of 1000 square metres, a floor space index of 0.35 times the lot area applies to a maximum gross residential floor area of 550 square metres.

12.1258 Exception 1258

12.1258.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1258.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width for all permitted purposes:

- .a Interior Lot: 23 square metres
- .b Corner Lot: 26 square metres

.2 Minimum Yard Depth from lot line abutting Main Street South: 20 metres

.3 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.4 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.5 Maximum Gross Residential Floor Area: 750 square metres, subject to the following:

- .a Maximum Gross Residential Floor Area shall be dictated by a sliding scale floor space index which operates as follows:
  - .i for lots of 450 square metres or less, a floor space index of 0.52 times the lot area applies;
  - .ii for lots of 450 square metres to 750 square metres, floor space index of 0.52 is reduced by 0.02 for each additional 50 square metres of lot area in excess of 450 square metres to a floor space index of 0.40 times the lot area for a lot of 750 square metres;
  - .iii for lots of 750 square metres to 1000 square metres, floor space index of 0.40 is reduced by .01 for each additional 50 square metres of lot area in excess of 750 square metres to a floor space index of 0.35 times the lot area for a lot of 1000 square metres; and
  - .iv for lots in excess of 1000 square metres, a floor space index of 0.35 times the lot area applies to a maximum gross residential floor area of 750 square metres.

12.1259 Exception 1259

12.1259.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone;

12.1259.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width:

.a Interior Lot: 23 metres

.b Corner Lot: 26 metres

.2 Minimum Yard Depth from lot line abutting Main Street South: 40 metres

.3 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.4 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.5 Maximum Gross Residential Floor Area: provisions of Exception 1265.2(5) apply.

12.1260 Exception 1260

12.1260.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone;

12.1510 Exception 1510

12.1510.1 The lands shall only be used for the following purposes:

.1 shall only be used for dry industrial uses, but not for any use which is obnoxious by reason of the noise or vibration created or the emission of dust, dirt, objectionable odours or gases.

12.1510.2 The lands shall be subject to the following requirements and restrictions:

.1 dry industrial operations shall only be permitted within an enclosed building; and

.2 outdoor storage of goods, materials or machinery shall not be permitted.

.3 Landscaped Open Space with a minimum width of 4.6 metres shall be provided and shall occupy an area indicated as Landscaped Open Space on Figure 1-Exception 1510.

.4 development shall only be permitted in conformity with the following site development standards:

.a Minimum Lot Area: 0.8 metres

.b Minimum Lot Frontage: 40 metres measured in a straight line from points on the side lot lines which are 18 metres from the front lot line

.c Minimum Front Yard Depth: 18 metres

.d Minimum Side Yard Width: 8 metres

.e Maximum Lot Coverage of all Buildings and Structures: 50% of the lot area

.f Maximum Building Height: 10 metres

A tower, cupola, steeple or other roof structure which is used only as an ornament or to house the mechanical equipment of any building shall be disregarded in calculating the height of the building.

.g Off-Street Parking:

.i at least one parking space on the same lot for each 55 square metres of gross floor area. (This parking space shall be used only for vehicles of employees, vehicles of customers and vehicles required in connection with the main use of the lot).

.ii every parking space shall be either a parallel parking space measuring 2.7 metres by 7.0 metres, or angled parking space measuring 2.9 metres by 5.8 metres.

.h Front Yard Use: Where the floor area of the main building on the premises is greater than 200 metres, no fence shall be permitted in the front yard and no truck loading facilities shall be provided in the front yard.

.i Minimum Rear Yard Depth: 7 metres, but none if abutting a rail line and 15 metres if abutting a street, a 0.3 metre reserve or a Residential or Institutional Zone

.j Off Street Loading

.i Number of Loading Spaces Required:

1. 280 square metres: none
2. 280 square metres to 1860 square metres: 1
3. each additional 1860 square metres: 1

.ii no loading space within the front yard;

.iii each loading space shall have an unobstructed ingress and egress of not less than 6 metres in width to and from a public street.

12.1510.3 for the purposes of Exception 1510:

.1 Landscaped Open Space shall mean open space on a lot which is used for the growth, maintenance and preservation of grass, flowers, trees, shrubs and other vegetation.

.2 Loading Space shall mean an unencumbered area of land which is provided and maintained upon the same lot or lots upon which the principal use is located and which area:

.a is provided for the temporary parking of one (1) commercial motor vehicle while merchandise or materials are being loaded or unloaded from such vehicle;

.b consists of a space measuring a minimum of 7.5 metres long and 3.6 metres wide and having a minimum vertical clearance of 4.3 metres;

.c is not upon or partly upon any street or lane;

.d is accessible from a street or lane by means of driveways, aisles, manoeuvring areas or similar areas, no part of which shall be used for the temporary parking or storage of motor vehicles.

.3 Lot Area shall mean the total horizontal area enclosed within the lot lines of a lot. In the case of a corner lot having a street line rounding at the corner of a radius of 7.5 metres or less, the lot area of such lot shall be calculated as if the lot lines were produced to their point of intersection.

.4 Parking Space shall mean a rectangular area accessible from a driveway or aisle for the temporary storage of motor vehicles but shall not include any part of a driveway or aisle.

.5 Dry Industrial Use shall mean any establishment involving repairing, servicing, processing, manufacturing, storing or shipping which does not require any water for cooling, manufacturing, processing or equipment washing, and water is merely to serve the domestic needs of the employees.

12.1513 Exception 1513

12.1513.1 The lands shall only be used for the following purposes:

.1 the purposes permitted by Exception 1512.1;

.2 the manufacturing, assembly, storage and distribution of semi-finished and finished products;

.3 dry cleaning plants, laundry and dyeing establishments, excluding any dangerous uses;

.4 dairy products plants and bakeries;

.5 a builder's supply yard or a contractor's yard including a repair and assembly shop, but excluding any scrap metal storage or salvage yards;

.6 any purposes accessory to the other permitted purposes.

12.1513.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Front Yard Depth shall be:

- .a 15 metres for a building less than 8 metres in height above grade,
- .b 18 metres for a building less than 10 metres but greater than 8 metres in height above grade,
- .c 21 metres for a building less than 12 metres but greater than 10 metres in height above grade,
- .d 24 metres for a building less than 15 metres but greater than 22 metres in height above grade;

.2 Minimum Lot Area shall be 2,000 square metres;

.3 Minimum Rear Yard Depth shall be 8 metres, except where the rear lot line abuts a railway right-of-way or easement, in which case no rear yard shall be required;

.4 minimum side yard width shall be 8 metres, except where the rear lot line abuts a railway right-of-way or easement, in which case no side yard shall be required;

.5 the required front yard, and all required side yards, from the front lot line to the rear wall of the rearmost building, shall be landscaped, such landscaping to consist of paved driveways and parking areas, lawns and planting strips, provided however that paved areas shall not exceed fifty (50%) of the area of the required front yard or the area of the required side yards.

.6 no truck loading facility or hydro electric transformer shall be located within the front yard or closer to the street than any part of the front wall of the building;

.7 outside storage of goods, material and equipment is permitted subject to the following conditions:

.a the storage area shall not be located in the front yard, or in any required side yard which abuts a street, or on any portion of the lot required for parking, and shall not be closer to any side lot line, except in the rear yard, than the required setback for a building, provided, however, that where the rear yard abuts a street, the storage area shall not be located closer to any rear lot line than the required setback for a building from the rear lot line;

.b the storage area is enclosed by a fence or wall not less than 2.4 metres in height, constructed of metal, wood or masonry, which is effective in screening the storage area from the street, provided that no fence shall be required on the rear lot line where a rear yard abuts a railway right-of-way or easement;

.c where the storage area abuts a street or land zoned for purposes other than industrial, a landscaped strip 2 metres in width, containing plant material with suitable screening characteristics, shall be provided and maintained along the affected property line(s);

.8 the provisions of Exception 1513.2(7) shall not prevent the display in the open of new products produced in or distributed by an industrial establishment, provided that:

.a the total area so used does not exceed five percent (5%) of the lot area, and

.b such area is not closer to any street than the minimum distance from the street required for buildings and structures;

.9 all manufacturing and processing operations other than:

.a the moving of goods and materials in and out of buildings and structures;

.b associated minor preparatory and finishing work, and

.c associated assembly of components too large to be assembled within the buildings and structures, shall be carried out within buildings and structures;

.10 no building shall have more than four storeys for a manufacturing use or five storeys for an office use, exclusive of mechanical or elevator areas;

.11 for the purposes permitted by Exception 1513.1(1), the parking requirements as described under Exception 1512.2(8) shall apply;

.12 for all other purposes, as permitted by Exceptions 1513.1 (2) to (6), at least one parking space for each 70 square metres of gross floor area shall be provided on the same lot, and such parking spaces shall be used only for the vehicles of employees and customers, and for vehicles required in connection with the main use of the lot.

12.1514 Exception 1514

12.1514.1 The lands shall only be used for the following purposes:

.1 one only of a bank or a trust company savings office or a similar financial institution;

12.1567 Exception 1567

12.1567.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone to this by-law;

12.1567.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Interior Side Yard Width:

- .a a side yard other than a side yard abutting a street, a public park or walkway, or a lot not in an R1 zone may be reduced to zero metres;
- .b the minimum distance between detached buildings shall not be less than 2.1 metres;
- .c in no event shall the total width of both side yards on any lot be less than 2.1 metres; and,
- .d the minimum width of a side yard abutting a public park or walkway or a lot in any other zoning category shall be 1.2 metres for the first storey or part thereof, plus 0.6 metres for each additional storey or part thereof.

.2 Minimum Landscaped Open Space: 50 percent of the front yard of an interior lot, and 60 percent of the front yard of an exterior lot, or 40 percent of the front yard of a lot where the side lot lines converge towards the front lot line.

12.1568 Exception 1568

12.1568.1 The lands shall only be used for the following purposes:

.1 a manufacturing, processing, assembling, packaging, repairing, fabricating, warehousing and storage use within a wholly enclosed building;

.2 retail warehousing;

.3 a furniture and appliance store;

.4 a recreation facility and structure;

.5 a community club;

.6 an automobile sales dealership and establishment;

.7 a garden centre sales establishment;

.8 a public and utility use;

.9 a service shop;

.10 a banquet hall; and,

.11 purposes accessory to the other permitted purposes.

12.1568.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 6070 square metres;

.2 Maximum Coverage: 35 percent;

.3 Minimum Lot Frontage: 50 metres:

.4 all buildings and structures shall have a minimum setback of 15.0 metres from the Canadian National Railway right-of-way;

.5 Maximum Building Height: no restriction;

.6 a Landscaped Area, not less than 3.0 metres in width, shall be provided and maintained where the lands abut a road;

.7 an adult entertainment parlour, an adult video store or an adult bookstore shall not be permitted;

.8 all buildings, structures, sheds and other appurtenances, including paved surfaces shall have a minimum setback of 10 metres from any Natural System (NS) zone.

12.1568.3 for the purposes of Exception 1568:

.1 Retail Warehouse shall mean a building or structure, or part of a building or structure, occupied by a single user and having a minimum gross floor area of 465 square metres. The use permitted shall be for the sale of non-food products displayed and stored in a warehouse format.

12.1569 Exception 1569

12.1569.1 The lands shall only be used for the following purposes:

.1 a manufacturing, processing, assembling, packaging, repairing, fabricating, warehousing and storage use within a wholly enclosed building;

.2 retail warehousing;

.3 a furniture and appliance store;

.4 a recreation facility and structure;

.5 a community club;

.6 an automobile sales dealership and establishment;

.7 a garden centre sales establishment;

.8 a public and utility use;

.9 a service shop;

.10 a banquet hall;

.11 a self storage facility; and,

.12 purposes accessory to the other permitted purposes.

12.1569.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Front Yard Depth shall be:

- .a 12 metres for a building less than 8 metres in height above grade;
- .b 15 metres for a building less than 10 metres but greater than 8 metres in height above grade;
- .c 18 metres for a building less than 12 metres but greater than 10 metres in height above grade;
- .d 21 metres for a building less than 15 metres but greater than 12 metres in height above grade, and
- .e 24 metres for a building greater than 15 metres in height above grade.

.2 Minimum Lot Area: 2,000 square metres;

.3 Minimum Lot Width: 30 metres;

.4 Minimum Side Yard Width:

- .a 8 metres for a lot with a frontage of 50 metres or less, and

.b 8 metres plus 12 percent of the lot width in excess of 50 metres.

.5 Minimum Rear Yard Depth: 20 metres;

.6 Minimum Landscaped Open Space for a lot having an area greater than 1 hectare shall be provided as follows:

.a 50 percent of the required front yard, and

.b 50 percent of the required side yard from the required front yard to the rear wall of the rear most building.

.7 Minimum Landscaped Open Space for a lot having an area of 1 hectare or less shall be provided as follows:

.a for a corner lot:

.i 50 percent of the required front yard,

.ii 50 percent of one required side yard none for the other side yard, and

.iii none required for an interior side yard.

.b for an interior lot:

.i 50 percent of the required front yard, and

.ii 50 percent of one required side yard, none for the other side yard.

.8 all operations are to be carried out within buildings;

.9 Maximum Height of a building shall not exceed two storeys in height, for industrial uses exclusive, of mechanical or elevator areas;

.10 outside storage of goods, materials and equipment shall not be permitted, and

.11 a Landscaped Open Space of a minimum of 12 metres in width shall be provided and maintained along Airport Road, and wherever the lot line abuts a 0.3 metre reserve block.

12.1570 Exception 1570

12.1570.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted by Exception 1568.1;

12.1570.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Front Yard Depth shall be:

- .a 12 metres for a building less than 8 metres in height above grade;
- .b 15 metres for a building less than 10 metres but greater than 8 metres in height above grade;
- .c 18 metres for a building less than 12 metres but greater than 10 metres in height above grade;
- .d 21 metres for a building less than 15 metres but greater than 12 metres in height above grade, and
- .e 24 metres for a building greater than 15 metres in height above grade.

.2 Minimum Lot Area: 2,000 square metres;

.3 Minimum Lot Width: 30 metres;

.4 Minimum Side Yard Width shall be:

- .a 8 metres for a lot with a frontage of 50 metres or less, and
- .b 8 metres plus 12 percent of the lot width in excess of 50 metres;

.5 Minimum Rear Yard Depth: 20 metres;

.6 Minimum Landscaped Open Space for a lot having an area greater than 1 hectare shall be provided as follows:

- .a 50 percent of the required front yard, and
- .b 50 percent of the required side yard from the required front yard to the rear wall of the rear most building;

.7 Minimum Landscaped Open Space for a lot having an area of 1 hectare or less shall be provided as follows:

- .a for a corner lot:
  - .i 50 percent of the required front yard,
  - .ii 50 percent of one required side yard none for the other side yard, and

.iii none required for an interior side yard.

.b for an interior lot:

.i 50 percent of the required front yard, and

.ii 50 percent of one required side yard, none for the other side yard.

.8 all operations are to be carried out within buildings;

.9 Maximum Height of a building shall not exceed two storeys in height, for industrial uses, exclusive of mechanical or elevator areas;

.10 outside storage of goods, materials and equipment is permitted subject to the following conditions:

.a the storage area shall not be located in the front yard, or in any required side yard which abuts a street, or on any portion of the lot required for parking, and shall not be closer to any side lot line, except in the rear yard, than the required setback for a building, provided, however, that where the rear yard abuts a street, the storage area shall not be located closer to any rear lot line than the required setback for a building from the rear lot line;

.b the storage area shall be enclosed by a fence or wall not less than 2.4 metres in height, constructed of metal, wood or masonry, which is effective in screening the storage area from the street, provided that no fence shall be required on the rear lot line where a rear yard abuts a railway right-of-way or easement, and

.c in addition to requirements of (b) above, where the storage area abuts a street or land zoned for purposes other than industrial, a landscaped strip 3 metres in width, containing plant material with suitable screening characteristics, shall be provided and maintained along the affected property line(s);

.11 the provisions of Exception 1570.2(10) shall not prevent the display in the open of new products produced in or distributed by an industrial establishment, provided that:

.a the total area so used does not exceed five percent (5%) of the lot area, and

.b such area is not closer to any street than the minimum distance from the street required for buildings and structures;

12.1571 Exception 1571

12.1571.1 The lands shall only be used for the following purposes:

.1 motor vehicle sales establishment;

.2 motor vehicle body shop;

.3 motor vehicle repair shop; and

.4 purposes accessory to the other permitted purposes.

12.1571.2 The lands shall be subject to the following requirements and restrictions:

.1 buildings shall be permitted only in the Building Area as shown on Figure 1- Exception 1571 to this by-law;

.2 a building shall not exceed the building height as shown on Figure 1-Exception 1571 to this by-law;

.3 the Gross Floor Area of all buildings to be erected within Building Areas B and C, as shown on Figure 1- Exception 1571 to this by-law, shall not exceed 744 square metres;

.4 the Gross Floor Area of the building erected within Building Area A, as shown on Figure 1- Exception 1571 to this by-law, shall not exceed 136 square metres;

.5 minimum front yard depth, side yard width and rear yard depth shall not be less than that shown Figure 1- Exception 1571 to this by-law;

.6 Landscaped Open Space shall be provided and maintained in the areas shown on Figure 1- Exception 1571 to this by-law;

.7 no storage shall be permitted outside a building except for motor vehicles offered for sale or intended to be serviced or repaired;

.8 a solid screening wall composed of brick, architectural block, decorative concrete panel or similar material, not less than 2.4 metres in height above finished grade, shall be located along the boundary shown as WALL on Figure 1- Exception 1571 to this by-law;

.9 a vinyl covered chain link fence, not less than 1.83 metres in height above finished grade, shall be located along the boundary shown as FENCE on Figure 1- Exception 1571 to this by-law;

.10 a solid board screening fence, not less than 1.83 metres in height above finished grade, shall be located along the boundary shown as BOARD FENCE on Figure 1- Exception 1571 to this by-law;

.11 the width of a driveway leading to a parking area shall be a minimum width of 8 metres for two-way traffic; and,

.12 the minimum number of parking spaces to be provided shall be not less than 41 of which no more than 6 spaces may be tandem parking spaces. Not less than 27 parking spaces shall be located clear of the proposed road widening.

12.1572 Exception 1572

12.1572.1 The lands shall only be used for the following purposes:

.1 Industrial:

.a the manufacturing, cleaning, packaging, processing, repairing or assembly of goods, foods or materials within an enclosed building, including a motor vehicle repair shop, but excluding a motor vehicle body shop as a principal or accessory purpose;

.b a printing establishment;

.c a warehouse;

.d a parking lot; and,

.e an office, other than for a real estate office or an office for a physician, dentist, or drugless practitioner.

.2 Non-Industrial:

.a a radio or television broadcasting and transmission establishment;

.b a furniture and appliance store;

.c a recreational facility or structure;

.d a community club; and,

.e only one mixed service restaurant.

.3 Accessory:

.a an associated educational purpose;

.b an associated office;

.c a retail outlet operated in connection with a particular purpose permitted by Exception 1572.1(1), provided that the total commercial gross floor area of the retail outlet is not more than 15 percent of the total gross floor area of the particular industrial use; and,

.d purposes accessory to the other permitted purposes.

12.1572.2 The lands shall be subject to the following requirements and restrictions:

.1 the total Gross Floor Area of the restaurant shall not exceed 390.2 square metres;

.2 the total Gross Floor Area of all buildings on the site shall not exceed 3300 square metres;

.3 a minimum of 95 parking spaces shall be provided on the lot;

.4 the total Gross Floor Area used for office purposes shall not exceed 558 square metres;

.5 the customer serving area used for the provision of take-out and packaged fast food shall not exceed 1.5 percent of the gross floor area used for the restaurant; and,

.6 no entertainment appealing to, or designed to appeal to, erotic or sexual appetites or inclinations shall be permitted in the restaurant.

12.1573 Exception 1573

12.1573.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone;

12.1573.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Front Yard Depth: 7.6 metres, provided that minimum distance to front of garage may be 7 metres;

.2 Minimum Interior Side Yard Width:

.a for the part of Lot 53, Registered Plan M-3162, which is adjacent to Lot 52:

.i 1.2 metres on the east side for a one storey dwelling, and 0.6 metres for each additional storey or part thereof, and 0.9 metres on the other side; and,

.ii where the space between the exterior walls of two buildings is less than 2.4 metres, no window below grade or door will be permitted in any wall abutting that space;

.b for the remainder of Lot 53, and for Lots 54 to 60, all on Registered Plan M-3162:

.i 1.2 metres on one side and 0.9 metres on the other side; and,

.ii where the space between the exterior walls of two buildings is less than 2.4 metres, no window below grade or door will be permitted in any wall abutting that space.

.3 Maximum Building Height: 8 metres.

12.1574 Exception 1574

12.1574.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in a PE zone.

12.1574.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Width: 80.0 metres, and

.2 Landscaped Open Space shall be provided and maintained in the areas shown as LANDSCAPED OPEN SPACE on Figure 1 - Exception 1574 and Exception 1575 (SPECIAL RESERVE), except for only one approved driveway access.

12.1575 Exception 1575

12.1575.1 The lands shall only be used for the following purposes:

.1 a landscaped buffer area, and

.2 purposes permitted on lands designated PE - Exception 1574, but only after the lands shown as ADJACENT LANDS on Figure 1 - Exception 1574 and Exception 1575 (SPECIAL RESERVE), which are used for residential purposes, have been rezoned for industrial purposes in accordance with the PE - Exception 1574 zone.

12.1575.2 The lands shall be subject to the following requirements and restrictions:

.1 the Landscaped Buffer Area shall:

.a be located adjacent to the lands used for residential purposes;

.b have a minimum width of 30.0 metres, and

.c be landscaped and bermed to screen the lands used for residential purposes:

The berm shall:

.i be continuous and be a uniform height of not less than 3.05 metres;

.ii have a maximum slope not exceeding a rise of 1.0 metres for each 3.0 metres of horizontal distance;

.iii be sodded and planted with vegetation to maintain stability;

.iv have a planting area located on the top suitable for and planted with coniferous plantings not less than 1.5 metres in height when planted to provide a visual screen, and

.v be designed so that the surface drainage of the lands shown as ADJACENT LANDS on Figure 1 - Exception 1574 and Exception 1575 (SPECIAL RESERVE) is not impaired.

12.1577 Exception 1577

12.1577.1 The lands shall only be used for the following purposes:

.1 a metal recycling plant;

.2 a metal fabrication plant;

.3 a retail outlet operated in connection with a metal recycling plant or a metal fabrication plant, provided that the gross floor area of the retail outlet is not more than 15 percent of the total gross floor area of the particular industrial use, and provided that any outside storage associated with the retail outlet does not comply more than 15 percent of the land area;

.4 open storage, and

.5 purposes accessory to the other permitted purposes.

12.1577.2 The lands shall be subject to the following requirements and restrictions:

.1 open storage of goods and materials shall only be permitted within the area shown as BUILDING AND OPEN STORAGE AREA on Figure 1-Exception 1577;

.2 except for driveway locations, LANDSCAPED OPEN SPACE having a width of not less than 17.0 metres shall be provided and maintained in the locations shown on Figure 1-Exception 1577. The width of a portion of the LANDSCAPED OPEN SPACE may be reduced to a minimum of 11.0 metres where the LANDSCAPED OPEN SPACE is located in a required front yard directly between a building and Intermodal Drive.

.3 no open storage of goods and materials shall be permitted until a visual screen encloses the BUILDING AND OPEN STORAGE AREA, which visual screen shall comprise a solid fence or wall having a maximum height of 3.0 metres located on top of a landscaped berm having a minimum height of 3.0 metres for a total minimum height of 6.0 metres, to be located and maintained within the area shown as LANDSCAPED OPEN SPACE on Figure 1-Exception 1577. The required visual screen may be reduced to a landscaped berm only, having a minimum height of 1.8 metres, in that portion of LANDSCAPE OPEN SPACE located within a required front yard directly between a building and Intermodal Drive;

.4 open storage of goods and materials shall not exceed the height of the visual screen;

.5 truck parking or open storage of goods and materials shall not be permitted in any required front yard;

.6 the Minimum Building Height shall be 6.0 metres, and

.7 the slope of the landscaped berm behind the visual screen may have a minimum ratio of 2:1 facing towards the property zoned GE-Exception 1577, whereas for all other circumstances the minimum ratio of the berm shall be 3:1.

12.1577.3 for the purposes of exception 1577:

.1 Landscaped Open Space shall mean an unoccupied area of land which is used for the growth, maintenance and conservation of grass, flowers, trees and shrubs and other vegetation, and may include a surfaced walk, patio, screening, pool or similar visual amenity, and an area not exceeding a maximum of 10 metres by 10 metres located in the required front yard, directly between a building and Intermodal Drive for the display of one new or reconditioned machine or piece of equipment, but shall exclude any driveway, ramp, car parking or loading area, curb, retaining wall or any covered space beneath or within any building or structure.

12.1623 Exception 1623

12.1623.1 The lands shall only be used for the following purposes:

.1 the lands designated as Parcel A on Figure 1 to this by-law shall only be used for an apartment dwelling containing no more than 270 dwelling units and having a maximum height of 20 storeys;

.2 the lands designated as Parcel B on Figure 1 to this by-law shall only be used for an apartment dwelling containing no more than 285 dwelling units and having a maximum height of 21 storeys;

.3 the lands designated as Parcel C on Figure 1 to this by-law shall only be used for an apartment dwelling containing no more than 270 dwelling units and having a maximum height of 20 storeys;

.4 the lands designated as Parcel D on Figure 1 to this by-law shall only be used for an apartment dwelling containing no more than 285 dwelling units and having a maximum height of 21 storeys;

.5 the lands designated as Parcel E on Figure 1 to this by-law shall only be used for a recreational centre building and associated facilities. The recreational centre building may also contain a Commercial Area in the north-east corner of the building with a gross commercial floor area not to exceed 290 square metres;

.6 the lands designated as Parcel F on Figure 1 to this by-law shall only be used for the following purposes:

- .a a public park;
- .b a recreation centre;
- .c a day-care centre;
- .d a public library; or,
- .e purposes accessory to the other permitted purposes.

12.1623.2 The lands shall be subject to the following requirements and restrictions:

.1 Dwelling Units:

- .a none of the apartment dwellings shall contain a dwelling unit with more than 3 bedrooms;
- .b the total number of 3 bedroom dwelling units in any one apartment dwelling shall not exceed 2; and,
- .c no more than 45 percent of the total number of dwelling units in any one apartment dwelling shall be 2 bedroom dwelling units.

.2 Setbacks:

- .a the minimum setbacks from parcel boundaries for all parts of each apartment dwelling that are above grade, excluding the parking structure, balconies, the elevator motor rooms, tank rooms and similar service facilities, shall be as shown on Figure 1 to this by-law;

.b the minimum distance between the apartment dwellings on parcels A, B, C, and D shall be as shown on Figure 1 to this by-law; and,

.c the parking structure for each apartment dwelling shall be constructed within the parking structure limits and with the minimum setbacks shown on Figure 1 to this by-law for each parcel.

.3 Parking:

.a parking spaces shall be provided for each apartment dwelling, within the parking structure for that apartment dwelling; at the rate of 1.25 parking space for each dwelling unit contained in that apartment dwelling;

.b a maximum of 6 percent of the total number of parking spaces required for each apartment dwelling may be tandem parking spaces;

.c on each of Parcel A, B, C, and D, there shall be provided, either within the apartment dwelling's parking structure or on the grounds within the parcel boundaries for that apartment dwelling, surface level parking spaces for visitors at the rate of 1 parking space for every four dwelling units contained within that apartment dwelling;

.d all areas containing parking spaces for visitors shall be designated by signs stating "Visitors' Parking Only"; and,

.e parking for employees for the Commercial Area shall consist of a minimum of 3 spaces in the location shown of Figure 1. In addition, a single loading space for the commercial area shall be provided in the location shown on Figure 1. The area containing employee parking spaces and a loading space for the Commercial Area shall be designated by signs stating "Employee Parking/Loading Space Only”.

.4 Landscaped Open Space:

.a at least 50 percent of the area of each of Parcel A, Parcel B, Parcel C and Parcel D shall be occupied by landscaped open space; and,

.b at least 65 percent of the total area of all land included in Parcels A, B, C, D, and E shall be occupied by landscaped open space, recreational facilities and areas.

.5 Vehicular Access:

.a vehicular access to the lands shown outlined on Figure 1 to this by law shall be limited to the entrances and driveways located as shown on Figure 1 to this by-law.

.6 Garbage Collection and Storage:

.a all areas reserved for the collection of garbage and for the storage of garbage collection devices shall be completely screened from view;

.b there shall be no incineration of garbage or refuse on the lands to which this by-law applies, or in any of the buildings thereon;

.c garbage and refuse shall be stored within each apartment dwelling in temperature-controlled areas, and garbage compactors shall be used; and,

.d garbage and refuse generated from the Commercial Area shall be stored entirely within the Commercial Area in a temperature controlled enclosure.

.7 Recreational Facilities:

.a the recreational centre building on Parcel E shall be constructed and completed at the same time as the first apartment dwelling to be built on any of the other parcels;

.b within the recreation centre dwelling on Parcel E, at least the following facilities, with all necessary equipment and furniture, shall be provided:

.i a swimming pool with a water surface area of a least 210 square metres;

.ii two regulation size squash courts and one handball court;

.iii gymnasium or exercise room with a floor area of at least 60 square metres;

.iv a lounge or meeting room; and,

.v two saunas.

.c upon the lands designated as Parcel E, the following facilities shall be constructed and completed, and thereafter maintained, at the same time as the first apartment dwelling to be built on any of the other parcels:

.i a children's outdoor play area with a minimum area of 300 square metres;

.ii at least four tennis courts, of which at least two must be floodlit; and,

.iii an outdoor wading pool with a water surface area of at least 95 square metres.

.d a sheltered and enclosed pedestrian walkway, from each of the apartment dwellings to the recreational centre building on Parcel E, shall be provided;

.e a children's outdoor play area with a minimum area of 95 square metres shall be provided and maintained at the rear of each of the apartment dwellings; and,

.f a lounge, a hobby room, a children's play room and a meeting room, with a total floor area of least (150) square metres shall be provided within each of the apartment dwellings.

.8 Commercial Area:

.a the commercial area in the recreational centre building on Parcel E, Figure 1, shall not exceed 290 square metres, and shall only be used for the following purposes:

.i a convenience store having no external display and outside storage;

.ii a beauty salon; and,

.iii a dry cleaning and laundry distribution station.

12.1623.3 for the purposes of Exception 1623:

.1 Commercial Area shall mean that portion of the recreational centre building containing commercial purposes which are to be used solely and exclusively by occupants of Parcels A, B, C, and D through a method of controlled access.

.2 Parking Space shall mean an area of not less than seventeen square metres and a width of not less than 2.9 metres which is readily accessible at all times for the parking and removal of a motor vehicle without the necessity of moving any other motor vehicle.

.3 Setback shall mean the minimum distance measured at right angles between a lot line and the nearest main wall of any buildings or structure.

.4 Storey shall mean that portion of a building other than a cellar or basement, between the surface of any floor and the surface of the floor next above it, if there be no floor above it, that portion between the surface of such floor and the ceiling above it.

.5 Tandem Parking Space shall mean an area of not less than seventeen (17) square metres and a width of not less than 2.9 metres which is not readily accessible at all times and it may be necessary to move another motor vehicle for the parking and removal of a motor vehicle on this space.

.6 For the purposes of this Exception, floors accommodating mechanical and parking facilities for an apartment dwelling shall not be counted in determining the number of storeys of each apartment dwelling.

  - .i Interior Lot: 9.0 metres.
  - .ii Corner Lot: 10.8 metres

.3 Minimum Lot Depth: 24 metres;

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres. The rear yard depth may be reduced to a minimum of 6.0 metres, provided that the area of the rear yard is at least 25% of the minimum lot area.

.7 Minimum Interior Side Yard Width: 1.2 metres on one side and 0.6 metres on the other side.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area, if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 3.10 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line; and,

.d the interior garage width, as calculated 3 metres from the garage opening shall not exceed 0.6 metres over the maximum garage door width permitted on the lot.

12.1708 Exception 1708

12.1708.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1708.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 330 square metres

.2 Minimum Lot Width:

- .i Interior Lot: 18.3 metres
- .ii Corner Lot: 20.1 metres

.3 Minimum Lot Depth: 24.4 metres.

.4 Minimum Front Yard Depth: 4.5 metres, but 6.0 metres to the opening of a garage.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres. The rear yard depth may be reduced to a minimum of 6.0 metres, provided that the area of the rear yard is at least 25% of the minimum lot area.

.7 Minimum Interior Side Yard Width:

- .a 1.2 metres on one side and 0.6 metres on the other side.
- .b where the distance between the walls of two dwellings is less than 2.4 metres, no door or no window below grade will be permitted in any such wall;
- .c 1.2 metres where the side yard abuts a public walkway or a non-residential zone;

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area, if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 where a lot has a width greater than 13.5 metres and the width of the porch is 50%, or less, of the ground floor width of the dwelling unit, excluding any garage, the porch may encroach 2.0 metres into the minimum front yard depth.

.10 Minimum Setback from NS Zone: no permanent structures and excavations shall be located closer than 10 metres to a NS Zone.

.11 no permanent structures and excavations shall be located within 10 metres of the limit of the TransCanada Pipeline right-of-way.

12.1709 Exception 1709

12.1709.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1709.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 330 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 24.4 metres
- .b Corner Lot: 26.2 metres.

.3 Minimum Lot Depth: 24.4 metres.

.4 Minimum Front Yard Depth: 4.5 metres, but 6.0 metres to the opening of a garage.

.9 where a lot has a width greater than 13.5 metres and the width of the porch is 50%, or less, of the ground floor width of the dwelling unit, excluding any garage, the porch may encroach 2.0 metres into the minimum front yard depth.

.10 Minimum Setback from NS Zone: no permanent structures or excavations shall be located closer than 10 metres to a Natural System Zone.

.11 no permanent structures and excavations shall be located within 10 metres of the limit of the TransCanada Pipeline right-of-way.

12.1720 Exception 1720

12.1720.1 The lands shall only be used for the following purposes:

.1 a semi-detached dwelling;

.2 an auxiliary group home; and,

.3 purposes accessory to the other permitted purposes.

12.1720.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 225 square metres.

.2 Minimum Lot Width:

- .a Interior Lot: 15.0 metres per lot and 7.5 metres per dwelling unit
- .b Corner Lot: 16.8 metres per lot and 9.3 metres for the dwelling unit closest to the flankage lot line.

.3 Minimum Lot Depth: 30 metres.

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres for a dwelling unit, provided that the area of the rear yard is at least 25% of the minimum lot area for the particular unit.

.7 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be 0 metres.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be 3.10 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line; and,

.d the interior garage width as calculated 3 metres from the garage opening shall not exceed 0.6 metres more than the maximum garage door width permitted on the lot.

.10 Minimum Setback From NS Zone: no dwelling, building or structure, including fill that is not for the purposes of flood erosion control or resource management, shall be located closer than 10 metres to an NS Zone.

12.1721 Exception 1721

12.1721.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1721.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 360 square metres.

.2 Minimum Lot Width:

- .a Interior Lot: 12.0 metres.
- .b Corner Lot: 13.8 metres.

.3 Minimum Lot Depth: 30 metres.

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres.
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 5.5 metres;
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line; and,

.d the interior garage width as calculated 3 metres from the garage opening shall not exceed 0.6 metres more than the maximum garage door width permitted on the lot.

.10 Minimum Setback From NS Zone: no dwelling, building or structure, including fill that is not for the purposes of flood erosion control or resource management, shall be located closer than 10 metres to an NS Zone.

12.1722 Exception 1722

12.1722.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1722.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 300 square metres.

.2 Minimum Lot Width:

- .a Interior Lot: 10.0 metres
- .b Corner Lot: 11.8 metres.

.3 Minimum Lot Depth: 30 metres.

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of a dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.7 Minimum Interior Side Yard Width:

- .a 0.6 metres, provided the combined total of the interior side yards on an interior lot is not less than 1.8 metres.
- .b 1.2 metres where the side yard abuts a public walkway or a non-residential zone.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 the following provisions shall apply to garages:

- .a the maximum garage door width shall be 3.1 metres; except where the lot exceeds 10.36 metres in width and is less than 11.0 metres in width in which case the maximum garage door width shall be 4.12 metres; and except where the lot is 11.0 metres or greater in width in which case the maximum garage door width shall be 5.5 metres.
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line; and,

.d the interior garage width as calculated 3 metres from the garage opening shall not exceed 0.6 metres more than the maximum garage door width permitted on the lot.

.10 Minimum Setback From NS Zone: no dwelling, building or structure, including fill that is not for the purposes of flood erosion control or resource management, shall be located closer than 10 metres to an NS Zone.

12.1723 Exception 1723

.1 Minimum Lot Area: 195 square metres per dwelling unit;

.2 Minimum Lot Width:

- .a Interior Lot: 13.0 metres per lot, and 6.5 metres per dwelling unit;
- .b Corner Lot: 14.8 metres per lot, and 8.38 metres for the dwelling unit closest to the flankage lot line.

.3 Minimum Lot Depth: 30.0 metres.

.4 Minimum Front Yard Depth: 6.0 metres to the front of a garage and 4.5 metres to the front wall of the dwelling.

.5 Minimum Rear Yard Depth:

- .a 7.5 metres, which may be reduced to a minimum of 6.0 metres for a dwelling unit provided that the area of the rear yard is at least 25 percent of the minimum required lot area for the particular unit; and,

.6 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be 0.0 metres.

.7 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line the minimum setback to the front of the garage shall be 6.0 metres.

.8 Minimum Setback From NS Zone: no dwelling shall be located within 10.0 metres of an NS Zone.

.9 Minimum Landscaped Open Space:

- .a 40 percent of the minimum front yard area; and,
- .b 30 percent of the minimum front yard area if the acute angle at the intersection of the side lot lines beyond the front lot line is greater than 25 degrees.

.10 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be:
  - .i 2.5 metres on a lot having a lot width per dwelling unit of less than 7.0 metres;

.ii 3.1 metres on a lot having a lot width per dwelling unit greater than or equal to 7.0 metres, but less than 8.0 metres;

.iii 3.7 metres on a lot having a lot width per dwelling unit greater than or equal to 8.0 metres;

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line;

.d the interior garage width, as calculated 3.0 metres from the garage opening, shall not be 0.6 metres more than the maximum garage door width permitted on the lot.

.11 Maximum Garage Projection: no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling.

12.1766 Exception 1766

12.1766.1 The lands shall only be used for the following purposes:

.1 a single detached dwelling;

.2 purposes accessory to the other permitted uses; and

.3 a home occupation.

12.1766.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Yard Depth from lot line abutting Main Street South: 20 metres.

.2 Minimum Interior Side Yard Width: 10 percent of lot width for the first storey or part thereof, 20 percent of lot width for 2 or more storeys.

.3 Minimum Exterior Side Yard Width: the greater of 3 metres or the required interior side yard width.

.4 Maximum Gross Residential Floor Area: 550 square metres, subject to the following:

- .a Maximum Gross Residential Floor Area shall be dictated by a sliding scale floor space index which operates as follows:
  - .i for lots of 450 square metres or less, a floor space index of 0.52 times the lot area applies;
  - .ii for lots of 450 square metres to 750 square metres, floor space index of .52 is reduced by .02 for each additional 50 square metres of lot area in excess of 450 square metres to a floor space index of 0.40 times the lot area for a lot of 750 square metres;
  - .iii for lots of 750 square metres to 1000 square metres, floor space index of .40 is reduced by .01 for each additional 50 square metres of lot area in excess of 750 square metres to a floor space index of 0.35 times the lot area for a lot of 1000 square metres; and
  - .iv for lots in excess of 1000 square metres, a floor space index of .35 times the lot area applies to a maximum gross residential floor area of 550 square metres.

12.1767 Exception 1767

12.1767.1 The lands shall only be used for the following purposes:

.1 the purposes permitted in a GC zone, except for an amusement arcade;

12.1805.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 690 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 21.0 metres
- .b Corner Lot: 22.8 metres

.3 Minimum Lot Depth: 33 metres

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling

.5 Minimum Rear Yard Depth: 7.5 metres

.6 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.7 Minimum Interior Side Yard Width: 1.5 metres for the first storey and 1.8 metres for the second storey.

.8 Maximum Driveway Width: the maximum driveway width shall be 9.0 metres, but in no case shall the driveway width exceed the outside width of the garage.

.9 Maximum Garage Projection: no garage shall project into the front yard more than 1.5 metres beyond a porch or the front wall of a dwelling.

.10 Maximum Porch Encroachment: where the width of the porch is 50%, or less, of the ground floor width of the dwelling unit, excluding any garage, the porch may encroach 2.0 metres into the minimum front yard depth.

.11 Setback to NS - Exception 1807: notwithstanding any other setback provision to the contrary, the minimum setback for any building, structure or swimming pool from any lot line abutting an NS - Exception 1807 zone shall be 10 metres.

12.1806 Exception 1806

12.1806.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted in an R1 zone.

12.1806.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 892 square metres

.2 Minimum Lot Width:

- .a Interior Lot: 21.0 metres
- .b Corner Lot: 22.8 metres

.3 Minimum Lot Depth: 42.5 metres

.4 Minimum Front Yard Depth: 4.5 metres to the front wall of a dwelling

.5 Minimum Rear Yard Depth: 7.5 metres

.6 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.7 Minimum Interior Side Yard Width: 1.5 metres for the first storey and 1.8 metres for the second storey.

.8 Maximum Driveway Width: the maximum driveway width shall be 9.0 metres, but in no case shall the driveway width exceed the outside width of the garage.

.9 Maximum Garage Projection: no garage shall project into the front yard more than 1.5 metres beyond a porch or the front wall of a dwelling.

.1 Minimum Distance between a driveway and street intersection: the minimum distance measured along a lot line between a driveway and the actual or projected point of intersection of two streets or at the intersection of two parts of the same street shall be 6.0 metres, except where the two parts of the same street have an interior angle of intersection of more than one hundred and twenty (120) degrees, in which case there is no requirement.

.2 Minimum Lot Area: 450 square metres per lot and 225 square metres per dwelling unit

.3 Minimum Lot Width:

- .a Interior Lot: 15.0 metres per lot, and 7.5 metres per dwelling unit;
- .b Corner Lot: 16.8 metres per lot, and 9.3 metres for the dwelling unit closest to the flankage lot line, except where a lot has a lot area in excess of 600 square metres, in which case no Minimum Lot Width requirement shall apply to the dwelling unit closest to the flankage lot line.

.4 Minimum Lot Depth: 30 metres, except where a lot has a lot area in excess of 600 square metres, in which case no Minimum Lot Depth requirement for the dwelling unit closest to the flankage lot line shall apply.

.5 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be:
  - .i 3.1 metres if the lot width for a particular unit is less than 8 metres but greater than or equal to 7 metres; and,
  - .ii 3.7 meters if the lot width for a particular unit is greater than 8 metres.
- .b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;
- .c the garage door width restriction does not apply to the garage door facing a flankage lot line;
- .d the interior garage width, as calculated 3 metres from the garage opening shall not be 0.6 metres more than the maximum garage door width permitted on the lot; and,

.e no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling for the particular unit.

12.1808.3 for the purposes of Exception 1808:

.1 shall also be subject to the requirements and restrictions of the R1 – Exception 1720 zone and all the general provisions of this by-law which are not in conflict with those in Exception 1808.2.

12.1809 Exception 1809

12.1809.1 The lands shall only be used for the following purposes:

.1 shall only be used for the purposes permitted within an R2 zone.

12.1809.2 The lands shall be subject to the following requirements and restrictions:

.1 Minimum Lot Area: 180 square metres per dwelling unit.

.2 Minimum Lot Width:

- .a Interior Lot: 18.0 metres per lot, and 6.0 metres per dwelling unit;
- .b Corner Lot: 19.8 metres per lot, and 7.8 metres for the dwelling unit closest to the flankage lot line.

.3 Minimum Lot Depth: 30.0 metres, which may be reduced to 27 metres for a unit containing a side yard setback of 1.2 metres.

.4 Minimum Front Yard Depth: 6.0 metres to the front of the garage and 4.5 metres to the front wall of the dwelling.

.5 Minimum Exterior Side Yard Width: 3.0 metres, except where a garage faces the exterior side lot line, the minimum setback to the front of the garage shall be 6.0 metres.

.6 Minimum Rear Yard Depth: 7.5 metres which may be reduced to a minimum of 6.0 metres provided that the area of the rear yard is at least 25% of the minimum required lot area.

.7 Minimum Interior Side Yard Width: 1.2 metres, except along the common wall lot line where the setback may be zero.

.8 Minimum Landscaped Open Space:

- .a 40% of the minimum front yard area; and,
- .b 30% of the minimum front yard area if the acute angle at the intersection of the side lot lines extended beyond the front lot line is greater than 25 degrees.

.9 Maximum Lot Coverage: none

.10 the following provisions shall apply to garages:

- .a the maximum garage door width per dwelling unit shall be:
  - .i 2.5 metres if the lot width for a particular dwelling unit is less than 7 metres;
  - .ii 3.1 metres if the lot width for a particular dwelling unit is less than 8 metres but greater than or equal to 7 metres; and,
  - .iii 3.7 metres if the lot width for a particular dwelling unit is greater than 8 metres.

.b the garage door width may be widened by an extra 0.6 metres if the front of the garage is not more than 2.5 metres closer to the front lot line than the ground floor main entrance of the dwelling unit;

.c the garage door width restriction does not apply to the garage door facing a flankage lot line; and,

.d the interior garage width as calculated 3 metres from the garage opening shall not exceed 0.6 metres more than the maximum garage door width permitted on the lot.

.e no garage shall project into the front yard more than 1.5 metres beyond a porch or front wall of a dwelling for the particular unit.

.11 Minimum Setback from NS Zone: no dwelling, building or structure, shall be located closer than 10 metres to an NS Zone.

12.1810 Exception 1810

12.1810.1 The lands shall only be used for the following purposes:

.1 apartment dwelling;

.2 tuck shop, located in an apartment dwelling, provided that there is not external evidence of same, and further provided that its gross floor area does not exceed fourteen (14) square metres; and,

.3 purposes accessory to the other permitted purposes.

12.1810.2 The lands shall be subject to the following requirements and restrictions:

.1 the front, side and rear yards shall have the minimum depth, widths and depths, respectively, shown on Figure 1- Exception 1810 to this by-law;

.2 a ramp to an underground garage shall be permitted in the front yard within the area shown on Figure 1- Exception 1810 to this by-law;

.3 each apartment dwelling shall be located on a site within an area of not less than 4,870 square metres;

.4 an apartment dwelling shall occupy one of the Building Areas shown on Figure 1- Exception 1810 to this by-law;

.5 the ratio of the gross floor area to the lot area shall not exceed 1.5;

.6 Maximum Coverage: eighteen (18) percent;

.7 Maximum Number of Dwelling Units: ninety-two (92);

.8 Maximum Height of buildings: 12 storeys;

.9 Landscaped Open Space: minimum of sixty (60) percent of the lot area;

.10 all parking areas shall have a direct and unobstructed access to and from a public street by means of a driveway or ramp as shown on Figure 1- Exception 1810 to this by-law;
