2. Sections 8 and 9 of By-law 371-85 are hereby repealed and the following is substituted therefor:

"8. (1) Every person owning land abutting a highway on which land he intends to carry out construction which necessitates the crossing of curbings, sidewalks, grass or paved boulevards shall submit to the Commissioner an application for a permit in a form provided by the Commissioner accompanied by a deposit of \$25.00 per linear metre of the lot on which the construction takes place where the lot abuts such curbing, sidewalk or boulevard.

(2) Where access to the land where construction is to take place is available only by crossing parkland, the owner of the land shall submit to the Commissioner an application for a permit in a form provided by the Commissioner accompanied by a deposit calculated as follows:

- (i) \$2.50 for each square metre of turf area to be crossed;
  - (ii) \$25.00 for each square metre of asphalt park walkway to be crossed;

  - (iv) \$120.00 where a curb has to be crossed;
  - (v) \$140.00 where a sidewalk has to be crossed; and
  - (vi) where the crossing may disturb trees or shrubs, an amount to be determined by the Commissioner which represents the replacement cost of any tree or shrub which might be damaged.
- (3) An application required by subsections (1) or (2) shall be accompanied by a non-refundable administration fee of \$50.00.
9. (1) The Commissioner shall issue a permit where he is satisfied that the applicant for the permit has complied with the provisions of section 8 and where he is satisfied there is no other convenient means of access to the land where construction is to occur. In the case of an application to cross parkland under subsection 8(2), the Commissioner shall determine the location where the parkland crossing will be permitted.
- (2) No person shall drive a vehicle used in construction or construction equipment across curbs, sidewalks, grass or paved boulevards or parkland, unless a permit for such crossing has been obtained in accordance with this by-law.
