

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number 134 - 2006

A By-law to Amend By-law 1-2002
to restrict areas in which instructors may teach students

WHEREAS Section 150 of the *Municipal Act, 2001* permits a local municipality to license, regulate and govern any business carried on within the municipality;

AND WHEREAS, the required explanation pursuant to Section 150 (3) for this by-law is that Council wishes to prevent the over concentration of driving instruction in the Peel Village area and to prevent students from getting an unfair advantage by practicing in the areas where driving tests are given and therefore these conditions of licencing are enacted for both nuisance control and consumer protection;

The Council of The Corporation of the City of Brampton ENACTS as follows:

1. Schedule M-1 of By-law 1-2002 (driving schools) is amended by adding the following section:

Areas where driving instruction prohibited

7. (1) No instructor shall give driving instructions on any public road or highway in the areas hatched and marked "Restricted Area" in Appendix 1.
- (2) No driving school operator may cause or permit driving instruction to be given in any area described in Section 7(1).
- (3) Despite Section 7(1), an instructor may give instruction to a student who lives in the Restricted Area, provided that the student carries with him or her proof of the student's residence and presents it on demand to any municipal law enforcement officer, peace officer or police officer.

Nothing in this Section shall prevent an instructor from the DriveTest Centre at 59 First Gulf Boulevard from giving instruction simultaneously with the conducting of an actual test for a drivers licence.
