OVERVIEW OF THE BRAMPTON PLAN PROJECT

Official Plan: What is it?

- Clarifies and provides city building objectives
- Guides the realization of a vision for the future of the city
- Identifies and defines the components of the city – not as they are today, but as they are envisioned
- Provides a policy framework to make the vision real

Why is an Official Plan Necessary?

- The Provincial legislation governing municipal planning has also been updated recently
- To conform with the initiatives of Brampton's 2040 Vision and the Regional Official Plan

“The purpose of the OP is to set out the municipality’s general planning goals and policies that will guide future land use in relationship to provincial initiatives, the Regional Official Plan and City initiatives.”

2006 Official Plan

Approved in Part by the Ontario Municipal Board
by Order dated October 7, 2008
(Including Region of Peel's modifications and deferrals set out
in the Region's Notice of Decision dated January 24, 2008
and appeals to the Ontario Municipal Board)

Office Consolidation September 2020

Why is Brampton Plan Necessary?

Brampton Plan will replace Brampton's 2006 Official Plan, which:

- Was approved and published in 2008
- No longer fully reflects City priorities, or embodies **best practices** in municipal land use planning

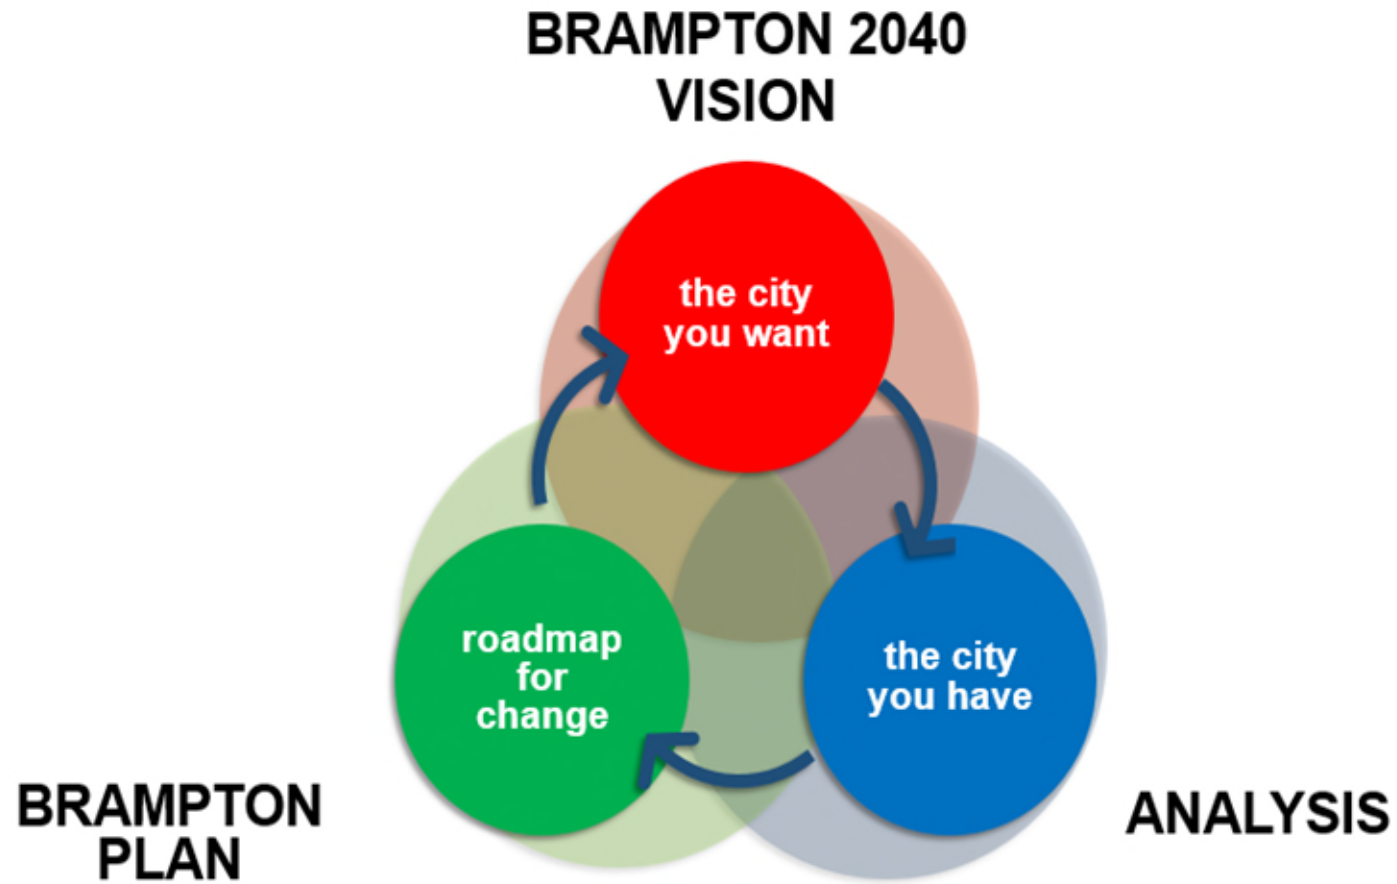

How does the Brampton Plan impact me?

- It guides where we live, work, learn, shop and play
- Determines how we interact and use spaces, such as streets, parks, transit, schools, social services, libraries, and recreational facilities
- Engagement and participation is important to building a great city
- Consideration for Arts and Cultural Heritage in relation to planning policy is a step towards the development of healthy communities!

From Vision to Reality

A New Brampton Official Plan = Brampton Plan

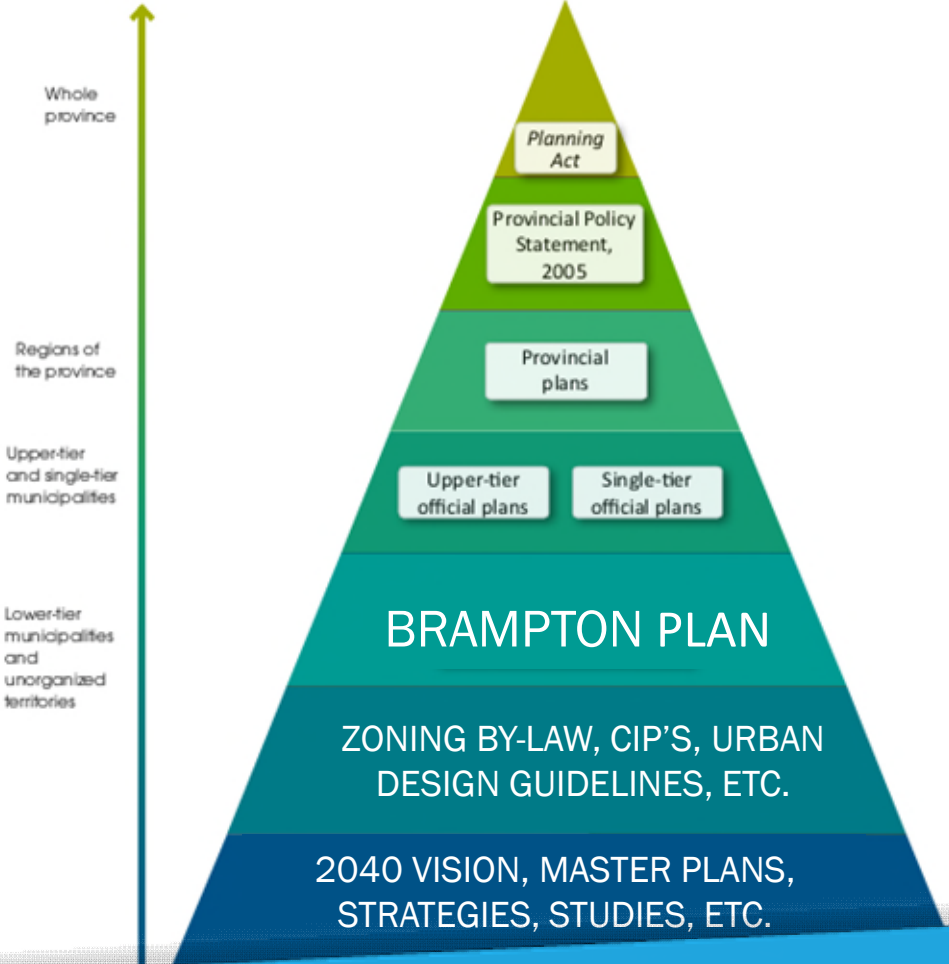

Brampton is preparing to develop a new Official Plan (OP)

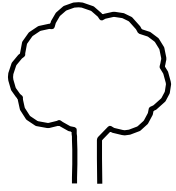

- To be adopted by Brampton Council and Peel Regional Council
- A key focus for implementing the Brampton 2040 Vision, and master plans

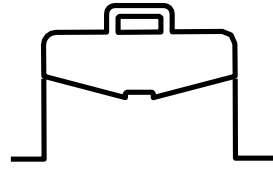

How will Brampton Plan work in relation to other planning documents?

- Must conform to the Regional Official Plan
- Highest order planning document for the City of Brampton

Discussion papers will include a focus on the seven core Brampton 2040 Vision Statement Areas and how they translate into Policy Directions.

Brampton Plan...

Will reinforce what Brampton is doing well.

Will strategically intervene in those areas where Brampton needs to change.
