PROCLAMATION

National Phlebotomy Technicians Recognition Week

WHEREAS: National Phlebotomy Technicians Recognition Week provides an opportunity to acknowledge the essential role of Phlebotomy Technicians across Canada, who ensure the accurate collection and processing of patient specimens critical to healthcare diagnosis and treatment.

Phlebotomy Technicians demonstrate exceptional skill and dedication in performing vital procedures such as venipuncture, micro-collection, and specimen handling, all while maintaining the highest standards of patient safety, confidentiality, and comfort.

The contributions of Phlebotomy Technicians are integral to the smooth operation of healthcare facilities and contribute significantly to positive patient outcomes and the overall success of medical teams.

National Phlebotomy Technicians Recognition Week encourages recognition, raises awareness, and promotes the ongoing development of Phlebotomy Technicians as valued healthcare professionals across the nation.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim June 23-27, 2025 as “National Phlebotomy Technicians Recognition Week” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
