# INTRODUCTION

# INTRODUCTION

The City of Brampton offers a wide range of experiential programs and hands-on workshops that support current Ministry of Education curriculum guidelines. This guide highlights some of the most popular options available through the City's Community Services Department. Custom programming is also available to meet the unique needs of your students.

We are committed to inclusive learning and development opportunities for individuals of all abilities. We welcome and encourage the participation of students living with disabilities in all of our programs.

Programs can be combined or scheduled together to create a full day of learning at the Community Centre of your choice. All programs are led by highly trained City of Brampton recreation staff who bring expertise and enthusiasm to every session.

Our Staff are:

- + Certified in Standard First Aid with CPR-C
- + Have a Police Vulnerable Sector Check
- + Trained in the High Five Principles of Healthy Child Development
- + Equipped with extensive, on-site program-specific training (including course content, program planning, learning styles, behaviour and risk management)
- + Professionally certified in specific areas of instruction, where applicable

Please review this guide for a list of the most popular programs that are available for youth in grades 9 - 12.

**For booking information or other inquiries, please email [community.programs@brampton.ca](mailto:community.programs@brampton.ca) or scan here to learn more.**

We look forward to welcoming your students and providing a fun, engaging learning experience!
