

PUBLIC NOTICE

NOTICE OF ONLINE PUBLIC INFORMATION CENTRE INTERMODAL DRIVE & WATERMAIN EXTENSION TO GOREWOOD DRIVE MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT

The City of Brampton is carrying out a Schedule 'B' Municipal Class Environmental Assessment (Class EA) for the extension of Intermodal Drive and Region of Peel watermain to Gorewood Drive. The recently-adopted Brampton Plan (2024) and the Airport Intermodal Secondary Plan (Area 4) identify the easterly extension of Intermodal Drive as a future east-west Collector Road traversing the upper midblock Gorewood properties and connecting to Gorewood Drive. The study is evaluating traffic and connectivity needs, alternative road designs, active transportation considerations and the impact of such improvements on the social, cultural and natural environments.

The Process

The Study is being carried out in accordance with the planning and design process for Schedule 'B' projects as outlined in the Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011, 2015 and 2023), which is approved under the Ontario Environmental Assessment Act.

Online Public Information Centre

This Public Information Centre (PIC) is being held using a virtual format to share the work completed to date and solicit feedback from the public.

The City is committed to informing and engaging with the public on the Intermodal Drive and Watermain Extension Class EA and will be posting Public Information Centre content on the City's website on Wednesday, January 15th, 2025.

How to Participate

Step 1: Visit the project website by clicking the link at [City of Brampton | Roads and Traffic | Intermodal Dr Extension](#)

Step 2: View the material and complete the comment form provided on the website until Wednesday, February 12th, 2025.

If you are unable to participate online, please leave a voicemail with your name and phone number and a member of the project team will contact you for your input.
