

NOTICE OF CONSTRUCTION

TRAIL PROTECTION PROJECT CENTENNIAL PARK - MARY STREET

Start Date: Winter 2024

Completion Date: Spring 2025

**Timeline is subject to change*

The City of Brampton has engaged Toronto and Region Conservation Authority (TRCA) to implement erosion control and slope stabilization work within Centennial Park, along Etobicoke Creek.

The project will address ongoing erosion concerns in the area highlighted on the map by constructing bank remediation measures to stabilize the channel slope and prevent further encroachment on the park trail.

Construction access from Mary St. park entrance may result in minor traffic delays and temporary closures for the duration of the project.

Construction Related Information:

Notice: For your safety, please respect all signage. Stay clear of the work area and construction equipment

Closure: The area within Centennial Park project limits will be closed for the duration of the construction activities

Detour: Please use the detour along Wellington St. E and Mary St. during the course of construction
